SCOPE AND OBJECTIVES

We will audit the financial statements and the disclosures, which collectively comprise the basic financial statement(s) of the Entity for the Selected Period(s) ended for the following: and the related disclosures to the financial statements, otherwise known as the notes to the financial statements (collectively, the "Financial Statements").

The Financial Statements are prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP") (the "Selected Basis").

We will perform an audit engagement with respect to the Financial Statements of the Entity. As and if applicable and indicated in the following paragraphs, we will also perform the appropriate procedures related to either supplementary information ("Supplementary Information") and/or required supplementary information ("RSI").

The objectives of our audit are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and issue an auditor's report that includes our opinion about whether your Financial Statements are fairly presented, in all material respects, in conformity with the Selected Basis. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America ("GAAS") and the standards for financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States ("GAGAS") will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment of a reasonable user made based on the Financial Statements. The objectives also include reporting on:

- Internal control over financial reporting and compliance with provisions of laws, regulations, contracts, and award agreements, noncompliance with which could have a material effect on the Financial Statements in accordance with GAGAS.
- Internal control over compliance related to major programs and an opinion (or disclaimer of opinion) on compliance with federal statutes, regulations, and the terms and conditions of federal awards that could have a direct and material effect on each major program in accordance with the Single Audit Act Amendments of 1996 and Title 2 U.S. Code of Federal Regulations ("CFR") Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards ("Uniform Guidance").

The Selected Basis provides for certain RSI, such as management's discussion and analysis ("MD&A"), to supplement Entity's Financial Statements. Such information, although not a part of the Financial Statements, is required by the Governmental Accounting Standards Board ("GASB") who considers it to be an essential part of the financial reporting for placing the Financial Statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to the Entity's RSI in accordance with GAAS. These limited procedures will consist of inquires of management regarding methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the Financial Statements, and other

knowledge we obtained during our audit of the Financial Statements. We will not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient appropriate evidence to express an opinion or provide any assurance. This RSI is required by the Selected Basis and will be subjected to certain limited procedures, but will not be audited: MD&A, Required Pension Supplementary Information, and Required Other Postemployment Benefit Supplementary Information.

We have also been engaged to report on Supplementary Information other than RSI that accompanies the Entity's Financial Statements. We will subject the following Supplementary Information to the auditing procedures applied in our audit of the Financial Statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the Financial Statements or to the Financial Statements themselves, and other additional procedures in accordance with GAAS, and we will provide an opinion on it in relation to the Financial Statements as a whole in a separate written report accompanying our auditor's report on the Financial Statements or in a report combined with our auditor's report on the Financial Statements: Schedule of Expenditures of Federal Awards and related notes and the followingsupplemental schedules required by the Texas Higher Education Coordinating Board.

In connection with our audit of the Financial Statements, we will read the following other information and consider whether a material inconsistency exists between the other information and the basic Financial Statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report. Other information will include: Statistical Schedules.

OUR RESPONSIBILITIES

We will conduct our audit in accordance with GAAS and GAGAS. We will also conduct our audit in accordance with the Single Audit Act Amendments of 1996; and the provisions of the Uniform Guidance. We will include tests of your accounting records, a determination of major program(s) in accordance with Uniform Guidance, and other procedures we consider necessary to enable us to express such an opinion. As part of an audit in accordance with GAAS and GAGAS, we exercise professional judgment and maintain professional skepticism throughout the audit.

We will evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management. We will also evaluate the overall presentation of the Financial Statements and determine whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation. We will plan and perform the audit to obtain reasonable assurance about whether the Financial Statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the Entity or to acts by management or employees acting on behalf of the Entity. Because the determination of waste and abuse is subjective, GAGAS do not expect auditors to perform specific procedures to detect waste or abuse in financial audits nor do they expect auditors to provide reasonable assurance of detecting waste or abuse.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is an unavoidable risk that some material misstatements or noncompliance may not be detected by us, even

though the audit is properly planned and performed in accordance with GAAS and GAGAS. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the Financial Statements or on major programs. However, we will inform the appropriate level of management of any material errors, fraudulent financial reporting, or misappropriation of assets that come to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential. We will include such matters in the reports required for a Single Audit. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

We will obtain an understanding of the Entity and its environment, including the system of internal control, sufficient to identify and assess the risks of material misstatement of the Financial Statements, whether due to error or fraud, and to design and perform audit procedures responsive to those risks and obtain evidence that is sufficient and appropriate to provide a basis for our opinions. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the Financial Statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the Financial Statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to GAGAS. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentation, or the override of internal control.

As required by the Uniform Guidance, we will perform tests of controls over compliance to evaluate the effectiveness of the design and operation of controls that we consider relevant to preventing or detecting material noncompliance with compliance requirements applicable to each major federal award program. However, our tests will be less in scope than would be necessary to render an opinion on those controls and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to the Uniform Guidance.

An audit is not designed to provide assurance on internal control or to identify significant deficiencies or material weaknesses internal control. Accordingly, we will express no such opinion. However, during the audit, we will communicate to you and those charged with governance internal control related matters that are required to be communicated under professional standards and the Uniform Guidance.

We have identified the following significant risks of material misstatement as part of our audit planning: management override of controls and improper revenue recognition due to fraud. Additionally, the following significant risk(s) were identified: pension estimate(s) and OPEB estimate(s).

We will also conclude, based on the audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Entity's ability to continue as a going concern for a reasonable period of time.

AUDIT PROCEDURES - COMPLIANCE

As part of obtaining reasonable assurance about whether the Financial Statements are free of material misstatement, we will perform tests of the Entity's compliance with the provisions of applicable laws, regulations, contracts, and agreements. However, the objective of our audit will not be to provide an

opinion on overall compliance and we will not express such an opinion in our report on compliance issued pursuant to GAGAS.

The Uniform Guidance requires that we also plan and perform the audit to obtain reasonable assurance about whether the auditee has complied with federal statutes, regulations, and the terms and conditions of federal awards applicable to major programs. Our procedures will consist of tests of transactions and other applicable procedures described in the OMB Compliance Supplement for the types of compliance requirements that could have a direct and material effect on each of Entity's major programs. For federal programs that are included in the Compliance Supplement, our compliance and internal control procedures will relate to the compliance requirements that the Compliance Supplement identifies as being subject to audit. The purpose of these procedures will be to express an opinion on Entity's compliance with requirements applicable to each of its major programs in our report on compliance issued pursuant to the Uniform Guidance.

Our audit does not relieve you of your responsibilities.

ENGAGEMENT ADMINISTRATION

Ana Gallardo is the engagement partner and is responsible for supervising the engagement and signing the report(s) or authorizing another individual to sign it (them).

We understand that your employees will prepare all confirmations and schedules we request and will locate any documents selected by us for testing. A request list of information we expect to need for our audit will be provided to you. Your prompt attention to and timely return of the requested items will significantly contribute to the efficiency of our audit process.

At the conclusion of the engagement, we will complete the appropriate sections of the Data Collection Form that summarizes our audit findings. It is management's responsibility to electronically submit the reporting package (including Financial Statements, schedule of expenditures of federal awards, summary schedule of prior audit findings, auditor's reports, and corrective action plan) along with the Data Collection Form to the Federal Audit Clearinghouse. We will coordinate with you the electronic submission and certification. The Data Collection Form and the reporting package must be submitted within the earlier of 30 calendar days after receipt of the auditor's reports or nine months after the end of the audit period.

We will provide copies of our reports to the Entity; however, management is responsible for distribution of the reports and the Financial Statements. Unless restricted by law or regulation, or containing privileged and confidential information, copies of our reports are to be made available for public inspection.

The audit documentation for this engagement will be retained for a minimum of five years after the report release date. If we are aware that a federal awarding agency or auditee is contesting an audit finding, we will contact the party(ies) contesting the audit finding for guidance prior to destroying the audit documentation.

In accordance with certain regulations, we, as your auditors, are required to make the following commitments:

- The documentation for this engagement is the property of CRI and constitutes confidential information. However, we may be requested to make certain documentation available to regulators, federal or state agencies, governmental agencies, etc. ("regulators" or "agencies") pursuant to authority given to it by law or regulation. If requested, access to such documentation will be provided under the supervision of CPA Firm personnel. Furthermore, upon request, we may provide copies of selected documentation to these

regulators or agencies. These regulators or agencies may intend, or decide, to distribute the copies or information contained therein to others.

- We will file a copy of our most recent peer review report with any applicable regulators or agencies.
- As appropriate, we may meet with those charged with governance before the audit report(s) are filed with any required regulators or agencies.

The information that we obtain in auditing is confidential, as required by the AICPA Code of Professional Conduct. Therefore, your acceptance of this Engagement Letter will serve as your advance consent to our compliance with above commitments.

REPORTING

As part of our engagement, we will issue a written report upon completion of our audit of the Entity's Financial Statements. Our report will be addressed to management, those charged with governance, or both, as appropriate, of the Entity. Circumstances may arise in which our report may differ from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinion, add a separate section, or add an emphasis-of-matter or other-matter paragraph to our auditor's report, or if necessary, withdraw from this engagement. If our opinion is other than unmodified, we will discuss the reasons with you in advance.

We will also provide a report (that does not include an opinion) on internal control related to the Financial Statements and compliance with the provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a material effect on the Financial Statements as required by GAGAS. The report on internal control and on compliance and other matters will state: (1) that the purpose of the report is solely to describe the scope of testing of internal control and compliance, and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control on compliance, and (2) that the report is an integral part of an audit performed in accordance with GAGAS in considering the entity's internal control and compliance. The Uniform Guidance report on internal control over compliance will state that the purpose of the report on internal control over compliance is solely to describe the scope of testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. The report(s) will also state that the report is not suitable for any other purpose. If during our audit we become aware that the Entity is subject to an audit requirement that is not encompassed in the terms of this engagement, we will communicate to management and those charged with governance that an audit in accordance with GAAS and the standards for financial audits contained in GAGAS may not satisfy the relevant legal, regulatory, or contractual requirements.

TERMINATION

If for any reason, we are unable to complete the audit or are unable to form or have not formed an opinion, we may decline to express an opinion or withdraw from this engagement.

We reserve the right and sole discretion to withdraw for any reason from this engagement immediately upon written notice to you. Our withdrawal will release us from any obligation to complete the services covered by this Engagement Letter and will constitute completion of this engagement.

Our engagement with you will terminate upon the earlier of our delivery of your report or withdrawal. In either case, you agree to compensate us for our services, fees, and costs to the date of withdrawal.

CORPORATE TRANSPARENCY ACT/BENEFICIAL OWNERSHIP INFORMATION REPORTING

Assisting you with your compliance with the Corporate Transparency Act (“CTA”), including beneficial ownership information (“BOI”) reporting, is not within the scope of this engagement. You have sole responsibility for your compliance with the CTA, including its BOI reporting requirements and the collection of relevant ownership information. We shall have no liability resulting from your failure to comply with CTA. Information regarding the BOI reporting requirements can be found at <https://www.fincen.gov/boi>. Consider consulting with legal counsel if you have questions regarding the applicability of the CTA’s reporting requirements and issues surrounding the collection of relevant ownership information.

OUR FEES

We estimate that our fees will be \$68,500 for the financial and federal single audit, including assistance in the preparation of the financial statements and disclosures, supplemental schedules required by the Texas Higher Education Coordinating Board, required supplemental information related to GASB 68 and 75, and related notes, data collection submission, and travel and other out-of-pocket costs such as report production, word processing, postage, etc. Any additional program tested for single audit will be billed at \$10,000.

We will also charge you for applicable out-of-pocket expenses incurred in the course of our engagement, including, but not limited to: technology costs, travel expenses (meals, lodging, transportation, etc.), third party technical resources, administrative costs (courier services, report preparation, copying), and any other direct engagement expenses. We may also charge a fee for applications, subscriptions, hosting, or technology we utilize in providing services to you.

The fee estimate is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances (such as, but not limited to, difficulty or delays in obtaining requisite responses to necessary or required procedures, significant changes to promulgated standards, time incurred for financial statement adjustment(s) and the related procedures required, or significant changes to your organization or its internal control structure) will not be encountered during the engagement. If significant additional time is necessary, we will keep you informed of any problems we encounter and our fees will be adjusted accordingly. Our invoices for these fees will be rendered each month as work progresses and are payable on presentation.

CLIENT ACKNOWLEDGEMENT(S)

If you acknowledge and agree with the terms of our agreement as described in this Engagement Letter, please indicate by executing.

Very truly yours,
