

No Bully Program

SHERIDAN FEBRUARY BOARD MEETING

No Bully Program

- The No Bully System[®] is a step-by-step process and set of interventions to prevent and stop bullying in school and after-school programs. It guides school leaders, teachers and staff through a series of interventions for responding to bullying and harassment, depending on the severity of the incident. When severe or persistent bullying occurs, teachers facilitate Solution Teams[®], where the target's peer group and the bully come together to stop the bullying.
