Section III: Description of Grant Program

Funds must be used for education, communication, and outreach regarding the Michigan Medical Marihuana Act, 2008 IL 1, MCL 333.26421 to 333.26430. On county letterhead, submit your proposal that includes the items listed below:

- Describe the project(s) for which funds are requested with an implementation plan.
- Explain how funds will be used to coordinate efforts with other agencies, if applicable.
- Describe the impact will these funds have on the community and what you hope to accomplish.
- Explain how these funds will be combined with other funding to complete the project, if necessary
- Explain anticipated outcomes that will result from this grant.
- Submit a detailed budget showing how the requested funds will be expended.

Section IV: Certification

I certify and agree to report how the grant was expended and to provide a report to the Department of Licensing and Regulatory Affairs, Marijuana Regulatory Agency, no later than September 15, 2020. By signing below, I also agree to meet and follow the statutory provisions in which this program was established pursuant to Section 901 of 2019 PA 60.

Section III: Description of Grant Program

Alpena County is requesting funding in the amount of \$9,746.00 to implement education, communication and outreach regarding the Michigan Medical Marihuana Act. Specific projects funds are requested to create a social media campaign, website, and educational materials.

Alpena County will be partnering with District Health Department No. 4 (DHD4) and their Public Health Nurses and Health Educator for project implementation. Educational materials such as brochures or flyers, will be created or purchased and distributed throughout the county at events such as local tobacco and marihuana businesses, local schools, and local health departments. In addition, a page will be created on the DHD4 website with information relating to the law as well as reference materials. Topics to be covered by all created outreach materials will include safe storage, dangers of youth marihuana usage, drugged driving, and responsible use. Medicinal lock boxes will be purchased to be distributed through local businesses and local health department. Within each lock box, educational materials will be included regarding safe storage and prevention of accidental exposure.

The funds provided by this opportunity will be supported by county appropriated money allocated to DHD4 for essential public health services. DHD4 maintains a team of Public Health Nurses and Health Educator who implement various health related education and outreach activities throughout the county. This funding opportunity, along with the existing funds provided to DHD4, will ensure the plan for medical marihuana education and outreach is fully implemented and executed. Additionally, the District Health Department No. 4 Health Officer is funded by county appropriated local funds, will oversee the project and sits on multiple boards and councils that address drug use. This will provide additional opportunities for outreach regarding Medical Marihuana Education. District Health Department No. 4 serves four counties in Northeast Michigan. This collaboration will allow for greater outreach, benefit, and sharing of resources across Alpena, Cheboygan, Montmorency and Presque Isle Counties.

Through this funding opportunity, Alpena County hopes to accomplish the creation of an outreach campaign leading to a greater understanding of the Michigan Medical Marihuana Law within the county. By utilizing brochures and flyers, as well as the DHD4 webpage, the community will also gain an increased knowledge of the law, as well as safe storage, restricting youth access and responsible use.
