## **Section 5**

### **Report on Violent or Criminal Incidents**

- There are no reports for LVISD.

## Section 6

### Student Performance in Postsecondary Institutions

- TEC Section 39.306 requires each district to publish, as part of its Annual Report, a report on **student performance in postsecondary institutions** during the **first year enrolled after graduation from high school**
- These data are compiled by the Texas Higher Education Coordinating Board (THECB)
- **The most current report is for 2022-23 High School Graduates**
  - ❑ Student performance is measured by the Grade Point Average (GPA) earned by 2022-23 high school graduates who attended public four-year and two-year institutions of higher education in fiscal year 2024
  - ❑ For each student, the grade points and college-level semester credit hours earned by the student in **Fall 2023**, **Spring 2024**, and **Summer 2024** are added together and averaged to determine the GPA

**NOTE:** *The THECB anticipates releasing an updated report for 2023-24 High School Graduates in mid-January 2026. That report, when available, will be posted at: [THECB Website](#)*
