Principal Misner's Message.....

Dear North Valley Families,

In the next two weeks we will be collecting progress reports on all students in order to prepare our staff for parent conferences. We value the input of parents and want to be able to provide you with first hand, face to face information about the academic progress of your student. Parent conferences are scheduled for the evening of February 6 and all day on February 7. Please plan now to attend the conferences with your student if that is at all possible. Our kids will respond well when parents and teachers work together to ensure positive academic performance.

Our students are working through the first round of OAKS testing in reading, writing, math and science. All students who graduate this year and beyond are required to earn passing scores in reading, math and writing. Please encourage your students to do their best and to take these tests seriously.

The following items are worthy of praise:

- Our scavenger hunt team placed 3rd in Southern Oregon.
- Our school play was well-received by those who attended.
- Our Academic Challenge team (KOBI) is doing very well.
- Our Forensics participants are doing well as they prepare for state.
- Our Boys Basketball team is ranked #1 in OSSA Division 4A.
- Our faculty is mastering the adjustment to proficiency based teaching.
- Our school is a generally peaceful place.

In February we will be focusing on student safety at school. We will have a full lockdown drill sometime late in February. We want to review and practice all our safety procedures.

I welcome your comments and concerns about how well we are serving your students. Please contact me with any issue that needs to be resolved.

Dennis Misner

Class of 2013

LOCAL SCHOLARSHIP PACKETS

Local Scholarship Packets is due January 31st, Please turn it in to the Counseling Office. GET FREE MONEY FOR COLLEGE!

SAT Class and Next Test Date

Bowling

Feb. 2- District Tournament

Swimming

Feb 8-9- Districts

Feb. 15- State

FROM THE ATHLETIC DIRECTOR

It's been an exciting winter sports season and our teams are currently in the middle of their conference season. It's been a great season so far, as all of our programs have experienced success at various levels, led by our Boys Basketball team, who are currently undefeated and ranked #1 in the State! We will be having our Winter Sports Awards Banquet to honor all our teams and participants on Tuesday, March 12th, at 6:30pm, in the North Valley Commons.

As we look ahead to the Spring Sports Season, it's important for any student interested in participating to come into the office, sign up, and pick up a participation packet for each sport. It's also required that participating athletes have current physicals on file (good for 2 years), and must be academically eligible (must Pass 4 classes during the 1st and 2nd Trimesters). Practices for each sport will begin Monday, February 25th. Our spring sports include:

Baseball, Softball, Track, Boys Golf, Girls Golf

Lastly, we currently have two coaching head coaching positions open for next fall (Boys Soccer and Volleyball). Please pick up an application in the athletic office if interested. Thank you!
