## Principal Misner's Message.....

In the midst of early spring, our pace of life at school is wonderfully brisk. As our students are completing their second trimester, our undefeated Boy's Basketball team will be competing at the State Tournament in Corvallis. We have encouraged all kids to stay current in classes and we will provide some additional time to complete all classes by March 13.

As we start the third trimester, I am encouraging you to spend time speaking with your student about their responsibilities in each of their classes. We know that graduation and summer will come quickly and I hope to see a strong performance from our kids.

North Valley is this year's host for the Academic Masters Competition on May 1st. Cash prizes of more than \$16,000 are awarded to the best and brightest kids in 5 academic areas. There will be several in-house opportunities for students to show their academic process and to qualify for the cash prizes.

So, while we love our Knights to be active in Spring Sports (Baseball, Softball, Track and Field) our main push with our kids is toward academic success. As the weather gets warmer, kids need more encouragement to stay focused, do well and make good decisions. The better schools and homes do for kids, the better our kids will be. I appreciate your everyday support of the kids at North Valley.

Dennis Misner, Principal

## **HOST AN EXCHANGE STUDENT**

Are you looking for an exciting, educational, cultural experience? Why not host a student from another country. You select the country of choice, common interests, and gender; we'll find a foreign exchange student who is a compatible match. Whether you have children in school or not, empty nesters, grandparents; we're looking for families who would like to gain insight into other cultures and languages, and make a difference in a young person's life by hosting them in the United States. I'm here to support you and your exchange student during the whole process and stay.

PLUS - can't host yourself but know of someone? I will donate \$200 to the charity of your choice for each referral that leads to a successful placement.
