Teaching & Learning  
Jenina Rothstein,  
Instructional Support Specialist**

---

**SUGGESTED SCHOOL BOARD ACTION:**

Report only.

**DESCRIPTION:**

Over the course of several years, the elementary teams have implemented a comprehensive Multi-Tiered System of Supports (MTSS) for students. We have recently updated the K-5 MTSS Guidelines and have communicated any changes in our processes with all elementary staff.

At Monday's board workshop, Jenina Rothstein, Instructional Support Specialist, will be presenting an overview of the elementary process. She will be highlighting strengths of the current process, as well as sharing future steps and focus areas yet to be implemented.
