These students completed 120+ hours of community service during their junior and senior year.</p> <p>Class of 2018 Future Plans: We had 40 students respond to a survey in regards to their post-graduation plans.</p> <ul style="list-style-type: none"> - 7 – Go to Work - 15 – Attend Tech School/Community College/2 year program - 16 – Attend a 4 year university - 2 – Enlist in the military
GOAL 3: Maximize the personal and professional potential of all staff.	<p>All staff members completed their Individual Growth and Development plans for the past school year. One of the requirements was to write a reflection based off the goal. I enjoyed reading the reflections as our staff looked back at the school year and reflected on their goals and what went well and what they want to work on over the summer and next year to continue to improve.</p>
GOAL 4: Promote and provide positive school and community culture that engages all stakeholders.	<p>Thank you to Kathy Wade and Jeff Michel for helping with handing out diplomas to our senior class. The ceremony went very well and I commend our seniors for their respect and behavior throughout the event. I wish them the best of luck as they start their new journey.</p>
