Background Information:

ISBE notified districts across the State that the Summer Food Service Program (SFSP) has been extended through September 30, 2021, which was previously scheduled to be available until June 30, 2021

While the District is finalizing the new agreement for the 2021-2022 school year, this extension of the SFSP will allow the District to continue providing meals to families throughout the summer and as the new school year begins as it has all year. With this extension in place, the new agreement will be adjusted to have an October 1st start date. The proposed Sodexo Agreement Amendment maintains all components of the existing agreement except for the end date changing to September 30, 2021.
