Re: Summer Tax Resolution

The Board of Education annually approves a resolution requesting local municipalities to perform a summer tax collection for local school property taxes. They have been supportive of this past practice.

I recommend that we continue the school district's established custom and request 50% summer tax collection, with the remaining 50% of the taxes to be collected in the winter. Please place this item on the Finance Committee agenda for December 5, 2022.

Please let me know if you have any questions. Thank you.
