EPISD Board Members

Eagle Pass Independent School District

October 31, 2024

Dear Members of the EPISD Board,

We are writing to respectfully request the board approval of a stipend allocation of \$1,000 to each campus within EPISD from The Support Hub to provide meaningful mental health resources for EPISD's students.

The Support Hub is a local mental health organization for students between the ages of 12 through 16 years of age. At the Support Hub, students can explore positive coping skills and activities. Our goal is to empower teens to better understand and care for their mental well-being. We are dedicated to breaking down the stigma surrounding mental health and fostering a culture of openness and understanding.

We believe our \$1000 donation to each campus within EPISD will enhance the ability to provide meaningful resources and tools to help students navigate everyday challenges. These funds can be used at the discretion of each school, provided that they are tied into promoting mental health initiatives. Whether a school would like to purchase mental health related books, create or enhance a safe space for students, or implement programs aimed at emotional well-being. We encourage schools to use the funding in ways that directly benefit the mental health of their students.

In order to allocate the funds, we kindly ask that each school submit a proposal outlining how they plan to utilize the \$1,000 donation. This will allow us to ensure that the resources are being used effectively to promote mental wellness in alignment with our mission.

We believe that by working together, we can make a significant and positive impact on the mental health of the students, we are eager to collaborate with EPISD in this important endeavor. Your approval and support of this initiative would be greatly appreciated.

Thank you for your time and consideration. We look forward to the opportunity to contribute to the mental well-being of students throughout the district.

Sincerely,

Liliana Moncada

Re: Jennah Chavarria School Board Recognition May 2025
DATE: May 02, 2025

I would like to officially request the recognition of the Eagle Pass High School's Cheer Captain Jennah Chavarria. As a four-year varsity cheerleader, she consistently exemplified spirit, discipline, and perseverance. Serving first as co-captain, and then as captain during her senior year, she led the cheer team with strength, passion, and grace. Jennah's leadership has helped shape the cheer program into one of pride and unity.

In addition to her excellence in cheerleading, her athletic talents shined brightly as a dedicated member of the varsity track team, balancing multiple sports with integrity and excellence. Academically, she set a high standard, earning her place among the top 5% of her graduating class, a true testament to her hard work, dedication, and determination. We are thrilled to celebrate her next chapter as she attends the University of Texas at Austin—a world-class institution that will no doubt benefit from her energy and spirit. Even more exciting, she will continue her cheerleading journey as a proud Texas Longhorn cheerleader—a remarkable achievement and well-deserved honor. Jennah is a role model, a leader, and a shining example of what it means to strive for excellence in all areas of life. We are incredibly proud of her and cannot wait to see all that she will accomplish in the future.

Please help me in recognizing Jennah Chavarria for her hard work, dedication, and commitment.
