

Administration

Administrative Staff Organization

The Superintendent shall organize the staff of the school district in a manner best suited to achieve its purposes.

The legal authority of the Board shall be transmitted through the Superintendent along specific lines of responsibility from person-to-person as shown in the Board-approved organizational chart of the school system. The Superintendent shall organize the staff to achieve the school district's goals and objectives consistent with the district's educational philosophy. The administrative staff organization shall foster an environment of excellence wherein teachers can help students learn most effectively.

There should, in addition, be provision for representative and deliberative groups of employees, community and students, as appropriate, whose functions, shall be to assist in:

1. School improvement.
2. Problem identification and solution.
3. Evaluation of goal achievement.

Policy adopted: ~~March 19, 2012~~
