SUBJ: Request for Award of Proposal #2104 LAW ENFORCEMENT EQUIPMENT & SUPPLIES - RFP

This proposal was established to qualify approved vendors under the State Purchasing Guidelines CH Legal and Education Code 44.031(a) whereby school districts are required to utilize a competitive bidding method that provides the best value for the district when making purchases valued at \$50,000 or more in **the aggregate** for a 12-month period. To satisfy this State Law, Alvin ISD extended this proposal.

The proposal was extended based on prior year's usage, staff requests and vendor requests. Over **16** vendors were extended packets by mail and email. There were 10 qualified responses. Additional information on the proposal was extended through notice in our county newspaper, emails to budget managers as well as the District website to solicit participation in our bidding process. The proposal was monitored through our Purchasing Department for participation and evaluation.

A non-exclusive award is requested to allow each participating vendor to supply discounts off catalog pricing and company price quote requests to meet our campuses and departments classroom needs at the lowest practical price and best value with the flexibility to purchase from a list of approved qualified vendors meeting the terms and conditions established for this contract.

This proposal is requested for award under a one-year contract with a two (2) year renewal extension as long as both parties agree to the terms of the contract for use on an as needed basis and funds are available for these commodities. Renewal of this contract is not anticipated until April, 2024. Additional proposals of this nature may be extended for vendor participation; however, this will not disqualify any vendors awarded under this contract, but will allow for additional vendor participation in the future under these commodities.

Attached please find the vendor profiles that details the approved qualified vendor information, commodity sub-category discounts off catalogs and other pertinent information extracted from their qualified proposals. Request approval for award to all vendors meeting specifications outlined under the Proposal #2104 LAW ENFORCEMENT EQUIPMENT & SUPPLIES- RFP as a non-exclusive award.

This proposal was extended with 7 identified commodity sub-categories for vendors to provide discount pricing. The sub-categories were extended with commodity coding to provide for future yearly aggregate financial trackability. The following categories were included on the 2104 Law Enforcement Request for Proposal:

- CANINE (K-9) POLICE DOG TRAINING EQUIPMENT (**POLIK9EQUIP**)
