Re: 2012-13 Tuition Rate

Board policy states that tuition rates for non-resident students will be based on the per capita operating cost of the school district. The per capita operating cost is a state defined formula that utilizes the most recent financial information on file with the state.

Please include this item on the August 6, 2012 Finance Committee meeting agenda. The proposed rate for 2012-13 is \$9,010. As always, please let me know if you have any questions.
