

March 20
PTO Highlights

Events Update:

- Few executive board members participated in the Read Across America event at Beecher during the Empathy week. Thanks for including us!
- Each child went home with the PTO sponsored Empathy week book, "Wishes" by Muon Thi Van. Extra copies were bought for the library and each classroom also.
- Beecher's annual Book Swap happening this week. In this annual tradition, PTO makes sure that each child walks away with 1-2 books. It is different from a usual swap. In collaboration with our school, we want to encourage and spread the love of reading!

- Teacher Appreciation Week from May 8-May 12. PTO is planning to treat the Beecher staff with special treats for the whole week.
