

AGENDA ITEM

Subject: Approve auditor's engagement letter.

Rationale: James E. Rodgers and Company, P.C. have audited Hillsboro ISD's finances for a number of years. Mr. Snyder and I became familiar with their work through Rick Rodgers and associates from the firm this fall and were pleased with the performance. We believe that the firm is thorough and provides good advice in addition to working well with school districts.

Recommendation: Approve engagement letter with James E. Rodgers and Company, P.C. for the 2016-2017 school year.
