SOS Training

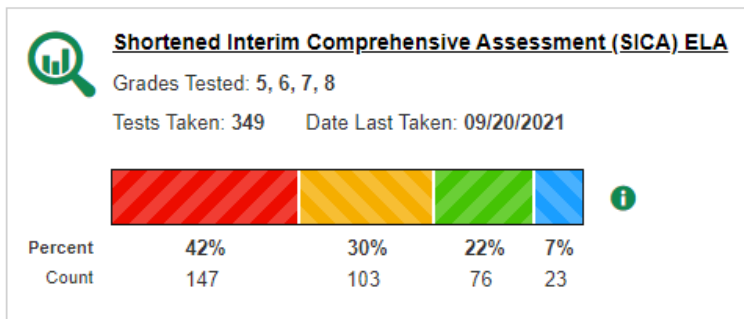

Student peer leaders and staff participated in a training on October 1st. We are looking forward to the year with our peer SOS leaders.

Parent Teacher Conferences

Parent teacher conferences are October 14th from 4:15-8:00. Staff will be making appointments with parents of students who are struggling with academics and or behavior. Staff will also set aside some time for parents who would like to have a drop in conference with their child's teacher.

Benchmark Testing

Imagine Math

88% of our students scored a level one on math to start the year which is classified as below basic. We usually see a large jump in growth from August to November. We have benchmark 2 scheduled prior to going to Thanksgiving break and will also be taking the ISAT Interim Comprehensive for math as well.
