Hi,

I am reaching out to make a FOIA request. I am looking for the requested records below, regarding the board's votes on IASB resolutions over the past 5 years (2018 - 2022). I am interested in whether board voted to support or oppose each resolution, and the votes of specific members if available.

For reference, I am a professor at the University of Chicago and this request is for educational, not commercial, purposes.

Please let me know if you need more information.

Many thanks,
Adam
