Wee Paws

Wee Paws took a trip to Rosey Ridge Farm in December. The students were able to view cows being milked and watched the raw milk go through the clear tubes into a large vat. Mr. Hooley, the owner of the farm, explained the difference between raw and pasteurized milk. Rosey Ridge Farm delivers raw milk to Dallas, Itasca and other towns for customers to pick up at assigned areas. The students were able to see raw milk inside a cooler where the cream had risen to the top showing one of the differences from pasteurized milk.

Students went on a hay ride around the farm and ride horses if they chose. There were animals to pet including a baby calf and a rabbit. The Hooleys served us hot chocolate and cookies. The learning experience was enjoyed by all!

2016 UIL Results

Art Smarts			Mathematics		
6th Grade	Leonardo Lopez	5th Place	6th Grade	Austin Cook	2nd Place
