

UNITED INDEPENDENT SCHOOL DISTRICT AGENDA ACTION ITEM

TOPIC Consideration for Approval to Proceed with Engineering Services for Plan Development for Marching Pads at United South and LBJ High Schools

SUBMITTED BY: Eduardo Zuniga, CPA **OF:** Associate Superintendent

APPROVED FOR TRANSMITTAL TO SCHOOL BOARD: _____

DATE ASSIGNED FOR BOARD CONSIDERATION: January 20, 2010

RECOMMENDATION:

Staff recommends contracting with the district approved engineering vendor to develop preliminary plans for the construction of band marching pads to be located at United South and LBJ High Schools. Approximate cost for the preliminary plans is \$32,000.

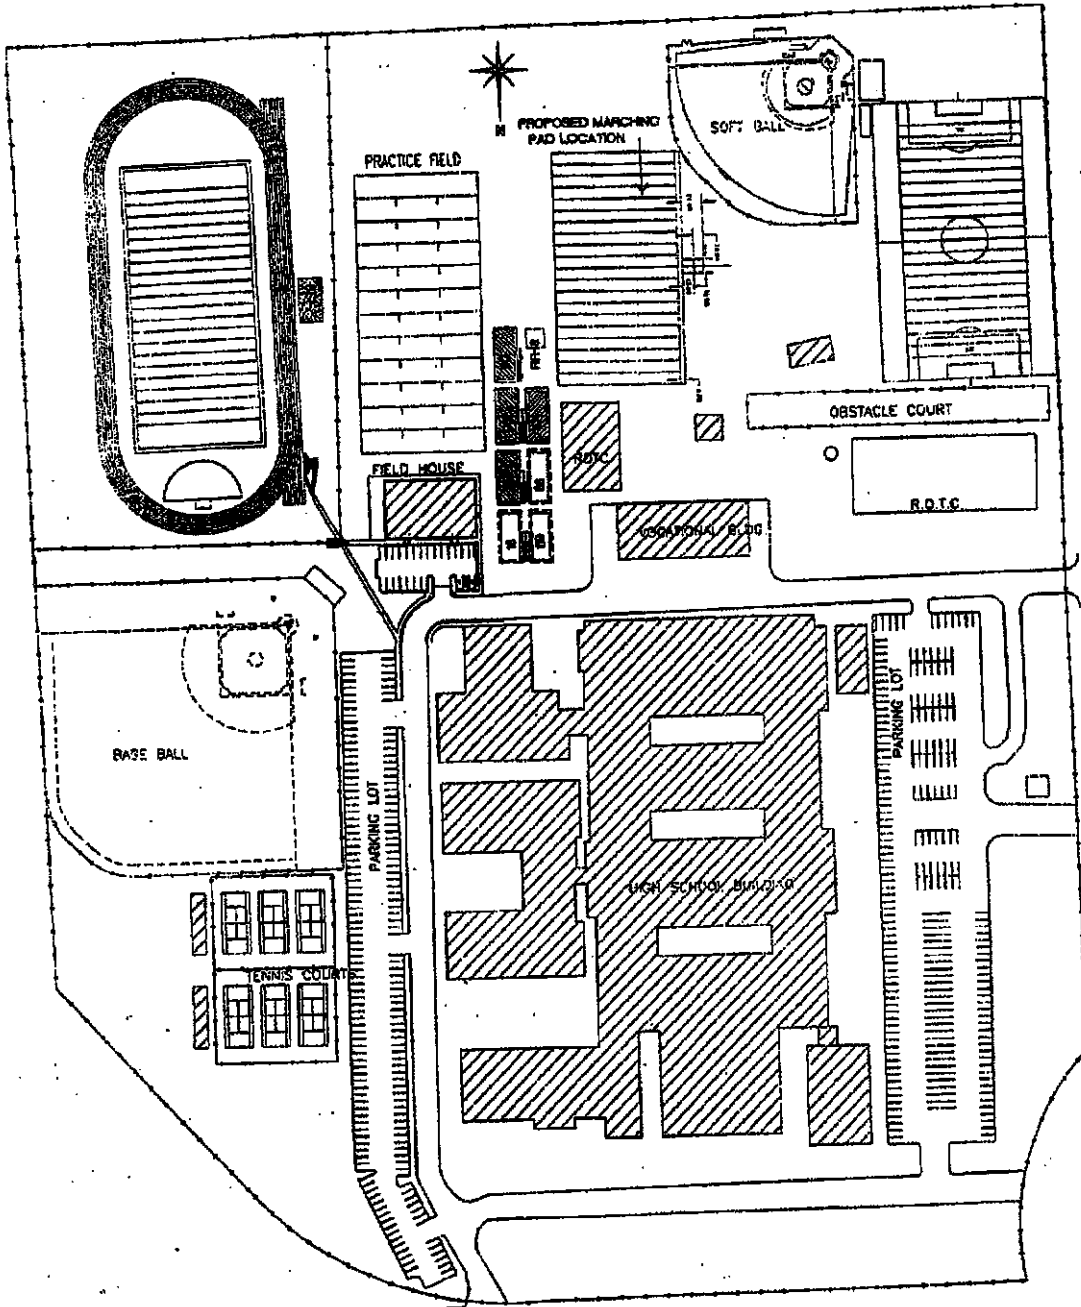

RATIONALE:

United South and LBJ High Schools are the remaining district high schools that do not have a marching pad for their respective band programs. Preliminary cost estimates developed by district staff show a cost estimate of \$260,000 for a United South High School marching pad and \$310,000 for a LBJ High School marching pad. However, to develop a more detailed cost estimate, the services of the district's approved engineer to develop these preliminary plans would be required.

BUDGETARY INFORMATION:

Funds required to fund this expenditure are in the General Operating Fund approved budget.
