K-12 Math TEKS Overview

Board Goals

- Vision Goal I C - remain committed to providing equitable and outstanding opportunities for every student on every campus;
- Teaching & Learning Goal II A - cultivate a consistent, strong, district-wide balanced curriculum based on ongoing needs assessments that supports all students; II B - establish high expectations with a curriculum that fosters inquiry and critical thinking, IIC - expect full curriculum implementation on each campus by instructional leaders;
- Climate Goal III D – instill in students a love of life-long learning.

Purpose of Report

The K-12 math TEKS have undergone a massive change. These changes have widespread impact on student learning and assessment. The Secondary and Elementary Math Coordinators have been preparing for these changes and have provided teachers with a variety of support systems to help them navigate these changes. This preparation began over two years ago to be sure Denton ISD was proactively involved and prepared.

Objectives

- To summarize the vast changes in the K-12 math TEKS
- To review the supports provided for teachers during this transition from the old to the new TEKS
- To clarify the implications for STAAR
