

Night High School

Optional Flexible School Day Program (OFSDP)

June 2, 2025

Night High School Mission

To provide flexible school hours in the evening with additional support and interventions to 9th-12th grade LISD students at the Lewisville Learning Center to increase:

- Successful course completion
- High school graduation, and
- Transition to post-secondary education and/or career of choice

Optional Flexible School Day Program Components (OFSDP)

- Students in 9th-12th grade meeting TEA criteria for at-risk and dropouts are eligible to participate.
- Eligible for pro-rated WADA funding based on minutes in attendance for at-risk students (minimum 45 contiguous min/week)
- Offer core and elective courses
- Students are required to take and pass all state tests in order to graduate.
- Utilize case management approach, including outreach, social service and community referrals to increase student academic success and graduation from high school
- The program was originally implemented in 2009-2010

Graduate Testimonials

"Night high school has helped me to ask for help when I need it and to not be afraid. It has also helped me to be more outspoken and more happier. The teachers and staff are amazing people and care about us and our futures. What I love about NHS is that everyone thinks highly of their students and you want us to to think highly of ourselves as well."

"Night high school has helped me tremendously with having one on one connections to school and helping me stay focused. It helped me grow closer with teachers and make new friends. I am FOREVER grateful for Nlght HS."

"Night high school has given me another chance at being successful. I am dearly grateful for all the help and motivation from all my teachers, counselors, and principals."

"It has given me the opportunity to gain the motivation to continue with my higher ed goals."

"Not just about night teachers and staffed have gone above and beyond for me to make sure I was going to graduate as expected. I am forever grateful for making the decision of coming here when I was in middle school."
