

AMS Board Communications

February 2011

8th grade Math – Students are well into the geometry unit. Students are starting a unit on finding the surface area of 3-dimensional figures. After surface area they will explore volume of 3-dimensional figures.

8th grade Algebra - Students have begun a unit on Inequalities which will lead into Systems of Equations and Inequalities.

6th grade Reading – Students are reading the novel Number the Stars by Lois Lowry.

One Act Play – Students will be performing Wiley and the Hairy Man, a witty play about a boy learning to face his fears. Performances will take place during district One Act Play competition and Open House.

Valentines Dance – AMS will hold their annual Valentines Dance February 14th from 3:45 – 5:00.
