

Consider Facilities Committee Recommendation Regarding Final Acceptance of Completed Utility Service and Central Plant Replacement Project and Release of Retainage

CFI Mechanical has completed the Utility Service and Central Plant Replacement project at the campus and has also completed all punch list items. The work has been reviewed and approved by Jason Mooney, Managing Senior Principal with PBK Architects.

Staff recommends acceptance of the Utility Service and Central Plant Replacement project and release of the retainage (\$237,543.50) to CFI Mechanical.

Mr. Michael B. Hughes, Facilities Committee Chairperson, will provide a report of the discussion and the Committee's recommendation for Board consideration.
