Re: College Board National Recognition
DATE: November 21, 2024

I would like to officially request the recognition of the attached list of students for their outstanding academic performance. EPHS students have earned academic honors from the College Board National Recognition Programs. These National Recognition Programs grant underrepresented students with academic honors that can be included on college and scholarship applications and connect students with universities across the country, helping them meaningfully connect to colleges and stand out during the admissions process. Congratulations to the 2024 College Board's National Recognition Program awardees! EPHS is extremely proud of their academic achievements and the work these students put in to get ready for college.

Please help me in recognizing the following students for their hard work and dedication to their school and for their National Recognition.

Mr. Luis Huerta, Principal EPHS

Mr. John Cox, Deputy Superintendent for C&I
