To Whom It May Concern

I am writing this resignation letter because I sent emails to the superintendant and received no response I explained to RR the situation he caused about the infestation and this was from other situations.

GHM chased me through town everything that he was trying to get RR in trouble for he does the same thing.

I will be in touch with a few important people sending copies of my emails texts etc...

The other reason for the resignation is it will be for my injury I'll be going through a hip replacement asap.

Thank You

Joni Madina
