RE: Carter Middle School 5<sup>th</sup> and 6<sup>th</sup> Cafeteria/Gym Masonry Work

## PROPOSAL

Case Construction is pleased to present a price for labor and material to in-fill masonry pocket openings where table inserts have been removed.

### PRICE 1:

Price to in-fill 10 pocket openings to the existing masonry block on the south wall and east wall of gymnasium.

**\$3,110.00**

### PRICE 2:

Price to in-fill 10 pocket openings - including labor to tooth out block and insert new in order to maintain masonry coursing.

**\$4,880.00**

### Items to Note:

Table inserts and frames to be removed by others.

Price does not include painting of new masonry blocks.

Price does not include 4" vinyl base.

Price does not include moving of electrical, plumbing or any unforeseen items, if found to be located in walls.

Price includes general clean-up. Finish dusting and waxing of floors by owner.

Price reflects work happening over spring break. Owner has indicated the ability to work through weekends.

Thank you for your consideration.

David Culver, President
