We are trying to absorb the costs as much as possible, but in some cases, we have been forced to raise prices on our products. As such, the prices on this quote expire on the date listed and must be re-quoted after that date.

\*Please be aware that lead times have increased for some vendors on this quote due to the high volume of orders this time of year. It is possible that some of the items on this order could have ship dates in September or later, depending on when the order is submitted.

Demco may require a down payment on this order, please contact your Demco Consultant for more information.
