SCARECROWS ABOUND!

What a delightful site to see as you drive by the colorful array of scarecrows on the fence line. The third, fourth, and fifth grade classes did an outstanding job this year with their creativity.

From the Desk of. . .

. . . Theresa Ogden,

Fort Vannoy Family Advocate

Dear Fort Vannoy Community,

Our annual Food Drive will be starting soon! If you would like to help out Fort Vannoy families during the holidays, here's how. Please donate **non-perishable food** items for our Food Drive. We will begin accepting donations starting on November 9th and run through December 11th. Remember that the food that is donated will stay right here at Fort Vannoy to help out families in need. Our goal is to bring in enough nutritious food so that families will receive a box of breakfast, lunch and dinner items. If you would like to donate a turkey or ham (extra points awarded to the class for these items), please let me know and I will make arrangements for storage. The class that brings in the most food will win a POPCORN PARTY!

Here are some suggestions for **non-perishable food** items:

BREAKFAST: Cereal, oatmeal, canned fruit, muffin mix, pancake mix, cocoa mix fruit bars, syrup.

LUNCH: Tuna, soup, raviolis, crackers, cookies, juice, mayonnaise, pickles, peanut butter, jelly, Jell-O, canned chicken, Tuna Helper, granola bars.

DINNER: Spaghetti noodles, spaghetti sauce, dinner roll mix, beef stew, chili, refried beans, corn bread mix, canned vegetables, stuffing, rice, Hamburger Helper.

Let's make the Food Drive a GREAT SUCCESS!

Sincerely,

Theresa Ogden

THE MAYFLOWER

During the historic voyage, the Mayflower carried 102 men, women and children – these Pilgrims were boarded in the cargo area of the ship, which was deep below deck where the living conditions led to seasickness and disease. The Mayflower set sail from England in the July of 1620, but the ship was forced to turn back twice because a vessel that accompanied it began to leak water. Many problems affected the Mayflower and her crew during the voyage. There were serious threats from pirates, but it was storm damage that was to prove problematic on this journey. In the middle part of the expedition, severe weather caused damage to the wooden beam that supported the ship's frame. Fortunately, however, it was repairable.

Several accidents also occurred, including the near drowning of John Howland who was swept overboard but then rescued. A child was also born during the voyage: Elizabeth Hopkins called her son Oceanus.

The ship reached Cape Cod safely on November 11, 1620.
