Permit to the City of Kingsford, Michigan
Pyle Drive Safe Routes to Schools Sidewalk Project

Grading Easement

The Dickinson Iron Intermediate School District (DIISD) hereby grant permission to the City of Kingsford and the City of Kingsford's representatives and contractor(s) to perform slope grading, landscaping and restoration on DIISD property as proposed in the plans for the construction of a sidewalk project along the north side of Pyle Drive. The work may entail removal of trees, placing of embankment material, adjustment of drainage structure and re-grading of lawn areas to match the proposed construction. We understand that the areas disturbed by the construction will be restored to equal or better condition than the existing condition.
