Board Goal. But this one has a really long time. We just want to be sure we can handle this now. Description of Goal. Same here. This one will be really long. Not yet, but it will get there.

It has to be long for this test to be effective.

The eMeetings DB and system supported a long text value here, so we need to as well. No data was lost in the conversion from eMeetings. The data was brought back over retro-actively, to ensure it was consistent with what they had before.
