

MEMORANDUM

TO: Board of Education

FROM: Taw Lindsey
Superintendent of Schools

RE: ACTION ITEM

Date: July 23, 2025

Status: Seeking Board approval to award the contract for the Access Road Repair Project to Steve's Auto & Marine Repair for \$15,600 plus the cost rock and contingency. This project will be funded by the Capital Improvement Project Fund (501).

- Cost for repair: \$15,600
- Cost of D-1: \$12,400
- Contingency 25%: \$7,000
- TOTAL Approval \$35,000

Option 1: The Board may choose to approve the above action item as listed.

Option 2: The Board may choose to *not* approve the above action item as listed.

Recommendation: The Superintendent recommends the Board to approve the above action item as listed.

Issue Summary:

The access road and parking area from 4th Avenue to the high school was damaged from the main water line rupture. This project will remove the compromised materials and replace with compacted D-1 gravel. This is a temporary repair until we can replace the main water line through the high school campus area. Due to the age and condition of the water line, it is possible that it will rupture again. Repaving the area will be tied to new water line project.
