Administrator/Staff: Brent Workley - Warren Helgeson

Type of Item: *Informational* *Action*

Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?

I would like to attend a week long training in Mastercam (Computer Aided Drafting) software at Mastercam Headquarters in Gig Harbor, Washington. The Course is July 25-29, 2016. Carl Perkins money will reimburse all of the costs to the District once I complete the class. Approval has been given by Brian Robin - Perkins Coordinator SOESD. I would like to have board approval to attend I would like to improve my skills in Mastercam to provide my students with higher level instruction. My program is articulated with Rogue Community Colleges Manufacturing Program and this is the same software that they use.

Provide history/background information on your proposal:

I have been teaching Mastercam at NewBridge HS for the past 7 years. This is an opportunity for me to further develop my skills for instructional purposes in addition to broadening my curriculum.

List the advantages of your proposal:

Greater student achievement - Improved Instruction - Broaden Curriculum - Adds depth to Curriculum - Improved Alignment and Articulation with RCC - No cost to the District

List possible disadvantages of your proposal:

List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?

There is not local alternative that offers a week long intensive class in Mastercam.
