

Board of Education

ACTION

TITLE: Consider Approval of Fire Alarm Inspections

DATE: November 13, 2017

RESPONSIBLE ADMINISTRATOR: Terry Morawski
Chief Operations Officer

BACKGROUND/CONSIDERATIONS:

Fort Smith Public Schools released a bid for annual inspections of all district fire alarm systems.

The bid was advertised on October 28, 2017 and bids were received at 2:00 p.m. on November 3, 2017. Five companies submitted bids for annual fees charged through a five year period. The bids are as follows: Marmic Fire and Safety at \$6,250/\$31,250, JE Systems at \$9,500/\$47,500, Gilbert Technologies at \$9,995/\$49,975, Alert Alarm at \$15,577/\$77,885, and Dunk Fire and Security at \$23,300/\$116,500.

RECOMMENDATION:

The administration recommends the low bid from Marmic Fire and Safety and recommends board approval at the November 27, 2017 meeting.

If the Board agrees, the motion would read:

Move to accept the bid of \$6,250 yearly and a 5 year bid of \$31,250 from Marmic Fire and Safety for Spring of 2018 through Spring 2022.
