Mary,

In April, Acorn Glass submitted a quote to ECISD for glass for RFP #14-01. I would like to address the school board at your next board meeting to find out why, if we (Acorn Glass) were low total bid, why we were not awarded the contract to supply the school district its glass for the next year. Acorn Glass Company has been in business in Odessa since 1970 and we have paid our taxes loyally. Again, I would appreciate the opportunity to address the school board and get the answer to this question.

Sincerely,

Alejandro S. Bueno

Acorn Glass Company
