Re: Proposed Updates to Policy EIC (Local)

The suggested revisions to EIC (Local) under academic achievement and class ranking better define the courses and calculations for students entering grade 9 during the 2020-2021 school year. This policy extends information on three options for our DLI learners. Clarifying attributes within this policy support our efforts in redefining student success.

Recommendation:

An appropriate motion for board action on these local policy updates is:

"I move that the board adopt revisions to policy EIC (LOCAL) as presented."
