RE: Meal Prices for 2026-2027

Because of our participation in the new State Free Schools Meal Program each breakfast and lunch served to a student is free. If a student wants a second breakfast or lunch it will be charged the same price as an adult meal. The last state minimum for an adult lunch is now \$5.30 and \$2.55 for breakfast. The recommendation for meal prices for the 2026-2027 school year are with new prices as follows:

High School lunch	Free
Grades 3 -6 lunch	Free
Grades K-2 lunch	Free
Breakfast	Free
Adult breakfast	\$2.55
Adult lunch	\$5.30
