Dear District 90 Families of Rising First through Fourth-Grade Students,

District 90 is pleased to collaborate with the West Cook YMCA (WCY) in offering an after-school supervision program for students in grades 1-4. This pilot program, called the Signature Program, will be offered at both Lincoln and Willard Schools for up to 30 students per school. The program will start at the end of the school day until 6 p.m. Scheduled to begin on the first day of school for students, Wednesday, August 25, participating students will have the opportunity to complete homework, participate in craft/enrichment projects, engage in physical activity, and partake of an after-school snack.

Registration is on a first-come, first-served basis. The program's cost is $600 per month. Participating families will be charged on a per-student basis with program fees offset by D90 and WCY during the pilot program's first year. Scholarships will be available on a sliding scale to eligible families.
