We have had a great start to a new school year. Expectations and morale's are high! We have several new students and several "high" need individuals. The Reagan faculty are doing an amazing job with the challenges they are facing, but I am looking for extra help.

I do believe Reagan Elementary has the best staff in Texas.

The football boys have made a great impact on my students. The football boys help with morning drop off on Fridays.

Our new playground equipment is being well attended. Thank you to QISD for our playground equipment.

Our UIL teams are being put in place. I have been asked of the \$50 stipend could be increased. The coaches stay after school beginning in September and coach through December.
