Background Information:

Administration has had an opportunity to meet with the Spare Wheels Transportation representatives and are preparing a final agreement for presentation to and approval by the Board of Education during their May 28th meeting. Financial terms limiting route cost increases to 1.9% in line with the most recent CPI figure will be included in the agreement. Over the coming weeks, final language will be collaboratively developed detailing insurance coverages to be carried during the new term of the agreement. Additionally, conversations are underway looking at the option for the installation and operation of cameras on all or a portion of the fleet that support our district routes.
