Thank You's

Again, River Valley Community Church has done a beautiful job for our school. Before school started, they spent several days fixing up our staff room. They painted, put in a new counter, faucet, new dishes, pub tables and chairs, and much more.

Fields Home Improvement donated wood so that David Bastian could build outside volleyball boxes.

A special thank you to all of our volunteer coaches. They give up time away from their own families to provide our students with the opportunity to play sports.

Sick Students

When your child is home sick, please call the office to let them know. This way we can excuse them for being out.
