Dear Families, Nat will supply a new letter

We are ready to jump in to an exciting school year! The staff of the Intermediate School invites you to join our team to make this an exceptional year for your child.

The Becker Intermediate School serves students in third, fourth, and fifth grade. We strive to provide a safe and respectful environment that promotes independent learners. We focus on positive student achievement in and out of school. We teach organizational skills and push students to be excited and motivated in their own learning. We know our students learn and retain more when they have fun while learning. At the Intermediate School, we strive to engage our students in the learning process. We also sponsor activities throughout the year that are fun and encourage community building. We have end of the trimester celebrations to recognize outstanding academic and behavioral successes, a staff variety show in the winter and a student talent show in the spring. Each grade level has field trips scheduled throughout the year, and we sponsor student-only Friday Fun Nights. These evenings help defray the costs of field trips and give our students and staff an opportunity to play together for an evening.

We welcome the support and participation of parents. Many volunteer in our classrooms with book clubs, math support, and field trips. We also know that many of our parents are unable to come into the school to volunteer due to schedules. We sincerely appreciate your partnership in supporting the value of education and ensuring our kids come to school prepared with their homework complete. We push our students to strive for a 97% or higher attendance rate. Thank you for your support in getting your kids to school on time each day. It matters!

We work to maintain a Bully Free Zone at school and on the bus. Students, however, do not always let us know when they are being bothered on the bus or the playground. They often report this information to their parents. Please keep the school informed of bullying situations. We will deal with each and every incident.

Communication and positive relationships between staff and families is very important. We have two Assessment Days in the fall for parents, students, and teachers. This time together has allowed our teachers to learn a bit about each child on an individual basis. It also provides the time for us to gather assessment data needed to address the individual learning needs of each student. We strongly believe these days help staff, students, and families start the year off positively.

We are excited to work together to support your child! The staff at the Becker Intermediate School is thrilled for the opportunities this year. Let us know what we can do to help make this a successful year for your child.

Respectfully,
Christine Glomski
Principal

District Vision Statement

Preparing self-directed learners to thrive in a changing global community.

Intermediate School Core Beliefs

We believe that Intermediate Elementary students need a nurturing, respectful and welcoming environment to learn.

We believe that Intermediate Elementary students need to be provided safe opportunities to explore and develop independent study skills and habits.

We believe that Intermediate Elementary students deserve and need to be held accountable to high standards.

We believe that Intermediate Elementary students need to be guided to develop empathetic and respectful problem solving skills.

We believe that academic success for Intermediate Elementary students is a responsibility that is shared by students, parents and the school staff.

**Becker Intermediate School Supply List
2018-2019 2019-2020**

Headphones for the computer labs will be on sale during our Assesment/Conference days. Please do not buy different headphones as not all will work in the computers. Please mark all items with your child's name or initials.

3rd Grade

- Markers (Crayola) – 8 count thick
- Scissors
- Colored pencils (Crayola) – 12 count

- (2)Red Marking Pen
- White Board Eraser or Sock
- Pencil Box (approximately 5inX8in)
- Pencils (2 boxes of 24 Ticonderoga pencils, sharpened)
- Highlighter - Yellow
- Crayons (Crayola) – 24 count
- Headphones
- Kleenex (2 boxes)
- Bottle of glue – Elmers School Glu
- 4 Dry Erase Markers (not fluorescent)
- 4 Glue Sticks – Elmers Washable Purple Stick
- 4 Two Pocket Folders
- Bike Helmet (for Phy-ed)
- 1 Composition Notebooks
- Backpack
- 2 Spiral Bound Notebooks (wide ruled, multi-colors)
- Large Pink Eraser
- Disinfectant Wipes

4th Grade

- Colored Pencils (24 count)
- 1 Black Permanent Sharpie
- Watercolor Paints (8 color set)
- 6 Glue Sticks
- #2 Ticonderoga Pencils (24 count, sharpened)
- 2 Red Ink Pen
- 1 Whiteboard Eraser or clean white sock
- 4 Dry Erase Markers (not fluorescent)
- 1 Composition Notebook (9.5 x 7.5)
- 1 Seven Pocket Expandable Folder
- 2 Two pocket folders
- Scissors
- Highlighter
- Large Eraser
- Pencil Box or Pencil Bag (approximately 5 x 8 inches)
- Ruler (cm. and in.) – not bendable
- Backpack – no wheels
- Bandana – (Phy Ed)
- 2 Kleenex
- 3 Single Subject Notebooks (Wide Ruled and Multi colors)
- 1 box Classic Colored Markers
- 2 Clorox Wipes

- Stylus (optional for iPad use)

Recorders will be on sale during our Assessment/Conference days for 4th Grade Students only. Please do not buy a different Recorder as we would like you to have a specific type.

5th Grade

- 2-inch Binder
- Scissors
- Kleenex (2 boxes)
- Disinfectant Wipes
- 2 Glue Sticks
- Highlighters
- 10 Red Pens
- 1 Package 3 x 3 Post it Notes
- 3 Ring Pencil Pouch
- Pencil Sharpener
- 1 Bandana (Phy Ed)
- 4 Dry Erase Markers (not fluorescent)
- #2 Pencils (24 count and sharpened)
- 2 Black Fine Tip Sharpie Markers
- 2 Black Ultra Fine Tip Sharpie Markers
- Colored Pencils 24 Count Package (not crayons, markers or pens)
- 4 Single Subject Spiral Bound Notebooks (Wide ruled and multi colors)
- Loose Leaf Paper (reinforced)
- 4 sturdy Two Pocket Folders
- Plain White T-shirt in a Gallon Ziploc bag to be used throughout the year (plan for growth)

FOOD SERVICE

Hot Lunches:

Each child will be assigned a number that will charge the cost of lunch against that child's account. Families with more than one child in the Becker School District will have a family account that can be accessed by each child's number. This system will also be used for families that qualify for reduced or free lunch. Families can send one check to be deposited in the family's account. Families always need to keep a positive balance in their account.

Children are not allowed to charge.

To help families keep track of their balance, telephone calls will be sent out one time per week when the account is at a positive \$15.00. The intent of these calls is to help parents know of their balance and when money should be added to the account in order to maintain a positive balance. When sending money to school for your family’s lunch account, place the check in a sealed envelope with the student’s name (along with all other children using this account) and the teacher’s name (use only the teacher’s name who will be collecting the money) on the outside of the envelope. This same procedure is used for students eligible for free or reduced lunch.

Milk for students with Cold Lunches:

Students can charge the cost of lunch milk (~~\$.40~~) against their family lunch account.

~~2018-2019~~ 2019-2020 Lunch Prices

Elementary students	\$2.55 including milk
Student Breakfast	\$1.60 including milk
Adults/teachers/staff	\$3.45 including milk

Milk for cold lunches	\$.40 / half pint

ACADEMICS

Curriculum:

Reading & Language Arts: Becker Intermediate uses the Journeys materials in grades 3-5.

Spelling: The Intermediate uses the ‘no excuse ‘ words along with the words presented in the reading program. Word study and phonics instruction are built into lessons.

Mathematics: The Becker School District uses the *Everyday Mathematics* series. This series emphasizes logical math processes rather than computational skills only. Skills are taught then reviewed continuously.

Social Studies: The social studies program begins with a study of communities and expands the study to all regions of the United States. American History from Columbus to the Vietnam War is also taught.

Science: The science program is a hands-on inquiry based program. Some of the units taught are electricity and magnets, weather, landforms, minerals etc.

Music: The program progresses from basic sound recognition to harmony, phrasing and performance in general music for grades three, four, and five.

Physical Education: The P.E. program provides instruction in fitness, individual and team sports as well as movement through rhythm and dance. Cooperative play and sportsmanship rather than competition are the focus.

Assessments:

Minnesota Comprehensive Assessments: All three grade levels take the MCAs in the spring of each school year. These assessments in the areas of reading, mathematics and science (fifth grade only) are state generated tests that are designed to be a benchmark that measures how each child is progressing in the District's curriculum compared to other students at the same level within the state of Minnesota

Northwest Educational Assessments, NWEAs: All three grades take the NWEAs each year. This assessment is used to show growth over time. It is a computer-generated test with results within 72 hours.

Academic Services and Alternatives:

Speech & Language: Programming is provided for students who qualify under the federal guidelines for services including speech fluency, articulation and production. Also services are provided for students with language delays or disabilities as defined by federal law.

School Psychologist: The services of a school psychologist are available for testing and consultation. Referrals to the psychologist are part of the MTSS (Multi-tiered System of Supports) team process.

Special Education Services: Students who qualify for service under state and federal guidelines have an Individual Education Plan developed to address their individual needs. Once an IEP is signed, services are provided by the Special Education staff and reflect the IEP goals.

Grading:

Report cards will be issued at the end of each trimester. All report cards can be accessed on the Skyward program. Grades 3, 4 and 5 use a scale of (E) Exceeds Standards, (M) Meets Standards, (P) Partially Meets Standards (GA) Growth Area. Personal Development is reported with a (S) Satisfactory and (N) Needs Improvement.

Parent/Teacher Conferences:

Parent/Teacher Conferences are scheduled in the fall and winter. Teachers or parents can request a third conference in the spring or other times they feel a need to meet. Check the District calendar for dates and times. Conferences are a valuable communication tool for both the parent and the teacher. Parents are encouraged to prepare for the conference by talking to their child about concerns or questions the child may have. Parents are encouraged to write out any questions they might have so those topics get covered during the conference. Parents who have questions or concerns are encouraged to call and/or meet with their child's classroom teacher at times other than the conference days. Please call in advance to set a meeting time with a teacher. It is difficult, sometimes impossible to get classrooms covered at the last minute.

ACTIVITIES

The Intermediate School sponsors several after school activities throughout the school year.

Community Education Classes: Community Education offers classes for 3-5 grade students throughout the school year as well as the summer break. For more information call the Community Education office at 762-261-4506 or go on-line to becker.k12.mn.us and click on Community Education.

Friday Fun Nights: The Intermediate staff offers this activity for Intermediate students only. No parents, no friends and no relatives allowed. This is an activity that allows the 3-5th graders an opportunity to play and have fun with their peers. The activity costs \$5 or \$10 at the door. This money is used to augment fieldtrip costs. This activity starts immediately after school and ends at 5:15pm. Parents must pick up their child by 5:15 pm.

ATTENDANCE

Absence Procedures:

If your child is going to be absent please call 763-261-4504 either before school in the morning or before 9:00 a.m. If the office does not receive a call by 9:00 a.m. the office will attempt to call the home.

Arrival and Dismissal Procedures:

Beginning Time: 7:50 a.m. **Ending Time:** 2:42 p.m.

Students should not arrive at school before 7:40 a.m. Make arrangements with the Principal if your child needs to be at school before 7:40 pm or after 2:45 pm. If it is a recurring issue, contact Camp Opportunity.

Morning Arrivals: Safety Patrols are on duty at 7:40 a.m. to help students cross streets safely. Any student arriving after 8:00 a.m. must get a pass from the office. Students not in their classroom at 8:00 AM are considered tardy. Students leaving before 2:42 p.m. will need to be checked out at the office by the adult signing the child out of school.

During the Day Student Check-out: Parents who need to pick up their child before the end of the day need to check out their child at the main office. Children will not be dismissed from the classroom. All students will be sent to the office for early dismissal or checkout.

Evening Pickup: Parents picking up students should do so on the school side of Third Street. If parents use the parking lot adjacent to the bus-loading zone to pick up students, please use the marked crosswalks to cross between the buses. Parents who come into the school building need to wait in the lobby for their student. Be sure your car is out of the circular drive before the buses line-up at 2:20 - 2:30 pm or you may be trapped in that area until the buses leave at 2:50 pm.

Vehicle drop off: Adults dropping students off should do so on the school side of THIRD STREET or in the ONE-WAY drive-through in the staff parking area off of THIRD STREET. There is no drop-off or pickup in the circular driveway at the school's main entrance. Visitors who have their vehicles in the circular drive before 7:40 am or after 2:30 pm will be blocked in that area until the buses leave.

Excused and Unexcused Absences:

The State of Minnesota requires that all children between the ages of 7 and 16 attend school all days that school is scheduled. If a child's attendance is sporadic they can be considered truant if over the age of 12 and victims of educational neglect if under the age of 12. It has been proven that good school attendance contributes to success in academics. The Staff of Becker Intermediate Elementary School want to see all children in school everyday. However, we all realize that there are reasons children need to be excused from school.

Excused absence: illness, injury, death in the family, family emergency, court appearance, medical appointments (doctor, dentist, psychologist, etc.) Whenever possible, it is appreciated if medical appointments are scheduled outside of the school day. Family trips will be excused if there is prior administrative approval. Please arrange family trips to match the school calendar whenever possible. Prearrangements must be made with the teacher for all work missed.

Unexcused absence: includes but is not limited to; missed bus, over sleeping, bus suspension, baby-sitting, shopping trip. If a child has excessive tardies or the school is not notified by phone or by note the absence is recorded as unexcused. Keeping a child home if they do not attend a field trip is considered an unexcused absence.

Procedures for Excessive Absences:

Becker Intermediate School will monitor absences and tardies that are 10% or greater of the academic year.

- STEP 1 - A phone call to parents expressing concerns about absences or tardies,
- STEP 2 - A letter is sent to parents outlining attendance concerns. The letter will recommend a conference with parents and school officials.
- STEP 3 - A letter is sent to parents indicating continued concerns. This letter will also require a physician's note for any further absences or absences will be unexcused.
- STEP 4 - As soon as there are three or more UNEXCUSED absences a letter will be sent notifying parents of a referral to the County Attorney.
- STEP 5 - As soon as there are seven or more UNEXCUSED absences the school will file educational neglect with the Sherburne County Attorney.

What is considered tardy?

Any child who arrives after the starting time (7:50 am) is considered tardy. After 20 minutes of the school day beginning, they are considered 1/2 day absent. This 20 minute rule applies to the end of the day also.

What is considered half day absent?

Any child arriving after 8:50 a.m. but before 11:40 a.m. is counted half day absent. Any child leaving after 11:40 but before 1:40 is counted 1/2 day absent.

CODE OF CONDUCT/DISCIPLINE

The term discipline has many meanings. Discipline is the training of the mind or character. It is also a system of rules or an order among members of any group. The policies of the Becker School Board, the laws of the state of Minnesota and the Constitution of the United States of America govern the students and staff of Becker Intermediate Elementary. Whenever possible, the staff of BIES will use

inappropriate behavior as an opportunity to teach proper behavior. Consequences for misconduct will be appropriate to the behavior and gradually increasing in severity in accordance with all local policies as well as state and federal laws.

Providing a safe and nurturing educational environment is our number one goal. All behavioral issues are dealt with as quickly as possible. Parents will be notified of behavioral issues. All concerns reported by students, parents, teachers or other staff members are investigated and dealt with as outlined in the District Discipline Policy. Information concerning behavioral issues and the consequences for behavior violations are protected by data privacy regulations. (A complete copy of this and all District policies can be accessed on the District web site; www.becker.k12.mn.us)

Adult & visitor Code of Conduct: All adults at Becker Intermediate Elementary School are expected to be positive behavioral models for students. Obscene and/or foul language, threats or yelling will not be tolerated. If necessary, adults will be asked to leave the school and return when they are in control of their emotions and behavior so that problem solving can happen.

Building Expectations & Procedures:

Becker Intermediate Elementary School expects staff, students and families to:

- Show Respect**
- Show Ownership**
- Show Citizenship**
- Show Kindness**

Bicycle Procedures: For the safety of both riders and walkers, all bike riders need to follow the expectations listed below;

- 1.) Bicycles are ridden on streets only. For the safety of all pedestrians, bikes should be walked from the school at dismissal time.
- 2.) Walkers always have the right-of-way.
- 3.) Only one rider on a bike at a time.
- 4.) All bikes must be parked in the bike rack.
- 5.) Bikes are only ridden to and from school.
- 6.) Bikers should arrive at school no earlier than 7:45 a.m.

Bullying: BULLYING (Policy 514)

“Bullying” means any written or verbal expression, physical act or gesture, or pattern thereof, by a student that is intended to cause or is perceived as causing distress to one or more students and which substantially interferes with another student’s or other students’ educational benefits, opportunities, or performance. Bullying includes, but is not limited to; conduct by a student against another student that a reasonable person under the circumstances knows or should know has the effect of:

1. Harming a student;
2. Damaging a student’s property;
3. Placing a student in reasonable fear of harm to his or her person or property; or
4. Creating a hostile educational environment for a student.

Consequences for students who commit prohibited acts of bullying may range from behavioral interventions up to and including suspension and/or expulsion.

Hallway Procedures:

- 1.) Students will walk on the right side of the hallway.
- 2.) Students will talk quietly in the halls.
- 3.) Students will report all strangers to their teacher or the office.

Harassment: Everyone in District 726 has a right to feel respected and safe. Use of words (verbal or written), pictures, actions, touch or gestures that make another person feel uncomfortable will be considered harassment and will not be tolerated. Bullying is considered a form of harassment and will not be tolerated. A complete copy of this and all District policies can be accessed on the District Website; www.becker.k12.mn.us

Internet/Acceptable Use: Becker Public schools is committed to the use of technology and the internet for educational purposes. Technology has allowed teachers to enhance and extend curricula in ways not even envisioned a few years ago. The school district embraces the use of personal and school-owned devices for the advancement of teaching and learning. In making decisions regarding student access to the school district computer system and the Internet, including electronic communications, Becker Public Schools considers its own stated educational mission, goals, and objectives. Electronic information research skills are now fundamental to preparation of citizens and future employees. Access to the school district computer system and to the Internet enables students to explore thousands of libraries, databases, bulletin boards, and other resources while exchanging messages with people around the world. The school district expects that faculty will blend thoughtful use of the school district computer system and the Internet throughout the curriculum and will provide guidance and instruction to students in their use.

The school district is providing students access to the school district computer system, which includes Internet access. The purpose of the system is more specific than providing students with general access to the Internet. The school district system has a limited educational purpose, which includes use of the system for classroom activities, educational research, and professional or career development activities. Users are expected to use Internet access through the district system to further educational and personal goals consistent with the mission of the school district and school policies. Uses which might be acceptable on a user's private personal account on another system may not be acceptable on this limited-purpose network.

The use of the school district system and access to use of the Internet is a privilege, not a right. Depending on the nature and degree of the violation and the number of previous violations, unacceptable use of the school district system or the Internet may result in one or more of the following consequences: suspension or cancellation of use or access privileges; payments for damages and repairs; discipline under other appropriate school district policies, including suspension, expulsion, or exclusion; or civil or criminal liability under other applicable laws.

More details regarding student acceptable use can be found online at: www.becker.k12.mn.us → Home → District Policies → 524 - Internet Acceptable Use and Safety Policy

Use of Digital Devices at School and School Activities

In keeping with the district's technology goals, the district recognizes the value of mobile devices as learning tools and for communication purposes. Student use of these devices will be governed by the following procedures:

- The use of mobile devices during instructional times is at the discretion of the classroom teachers and building administrators
- When the use of electronic devices is not required during class, they should be set aside to prevent distraction.
- Students shall not use any electronic device that disrupts or detracts from the educational environment.
- Student may not use mobile devices in any manner that violates any district or school policies, including policies and guidelines governing copyright, harassment, Internet Acceptable Use, and academic integrity.
- Cameras or any devices with recording capability are not permitted to be used in locker rooms, restrooms, or any area where students and staff have a "reasonable expectation of privacy".
- Students are not allowed to photograph or videotape students or staff at school without their consent with the exception of public events such as concerts or athletic contests.
- Students' use of mobile devices while in the school building must comply with the district's Acceptable Use Policy regardless of whether they are connecting through the school's network or through a cell carrier.
- The district retains the right at any time to view and/or investigate the contents of students' school issued devices at school.
- Any inappropriate use of cell phones for the purpose of using text messaging to harass or threaten others, or to plagiarize, copy or otherwise cheat academically is subject to the hazing and harassment policy and will result in disciplinary action. (District Policy 526)
- The school is not responsible for lost or stolen items.

Violations of these guidelines will be handled on an individual basis and may include confiscation of the device, conference with parents, suspension of the right to carry a phone/device, referral to the school resource officer, or other consequences.

Playground Procedures:

- 1.) Food, gum and/or candy are not allowed on the playground.
- 2.) Organized group games such as football, softball, kickball, etc. must be held on the designated playing area.
- 3.) Tree climbing or snowball throwing are not permitted.
- 4.) Toys of any type are not allowed on the playground
- 5.) Violence, use of profanity, obscene gestures, poor sportsmanship,

threatening or harassment of others, general inability to get along can and will result in suspension of playground privileges and/or other sanctions as deemed necessary and proper by the supervisors of the area or the principal.

Roller blades/Skateboards/Scooters: For the safety of all pedestrians, rollerbladers, skateboarders and scooter riders need to follow the expectations listed below:

- 1.) Roller blades/skateboards/scooters are not to be used during bus loading and off-loading times.
- 2.) Roller blades should never be worn in the school building.

School Resource Officer (SRO):

The SRO is an investigator with Sherburne County Sheriff's Office. One responsibility of the SRO is to respond to acts committed in school that may be deemed unlawful. As an officer of the law, the SRO may cite violations and process charges through the county attorney's office.

Searches: Students are assigned a locker and a desk to keep their school and personal belongings. School personnel have the right to search lockers or desks. Periodic searches happen for the purpose of finding work and or related to safety and discipline issues.

Student Transportation:

Students may only ride on the bus they have been assigned. Because the buses are operated at student capacity, a child who is visiting a child on another bus route, must provide their own transportation. Parents are responsible for their child's transportation from any after school activity.

Riding the bus is a privilege not a right. Students are expected to follow the same code of conduct on the bus as they have in the classroom. All rules and regulations found in the RULES of CONDUCT of BOARD POLICY will apply.

- 1.) Students need to be at the stop by the time the bus arrives and be waiting on the side of the road.
- 2.) Students are to remain seated while the bus is in motion.
- 3.) Students are to keep their hands, feet and personal articles to themselves.
This includes keeping the aisle open at all times.
- 4.) Students are not to use foul or obscene language or gestures.
- 5.) Students are to maintain a reasonable noise level to ensure the driver can hear traffic noise and trains.
- 6.) Students should not extend any part of their bodies or other objects from the windows or door of the bus.
- 7.) Students are to keep the floor and seats clean from refuse and gum.
- 8.) Students are not allowed to have any articles on the bus which the driver deems unsafe or a nuisance.
- 9.) The bus driver has the right to give additional directions to students which he/she believes are necessary for the safety of the students on the bus.
- 10.) Students must ride their assigned bus. Any exception must be cleared by the Becker Intermediate Elementary Office.

Failure to comply with the above safety regulations could result in one or more of the following consequences;

1. Verbal warning from the driver
2. An assigned bus seat for a specified period
3. A parent contact by the driver and/or principal
4. A bus behavior ticket being sent home with appropriate disciplinary consequences.

The school is liable for students from the time they board the bus until they are dropped off at the bus stop. For this reason, students are not permitted to leave school grounds once they are dropped off at school. Students are not permitted to get off or board the bus at any building but the building where they attend school unless special arrangements are made (i.e. sports, extra curriculars).

Weapons Policy: No student shall possess a weapon when in the school building, on school grounds or on any school sponsored trip or activity. Toys designed to look like weapons are also prohibited. (A complete copy of this and all District policies can be accessed on the District Website; www.becker.k12.mn.us)

GENERAL INFORMATION

Allergies and Asthma: Because of the number of students and staff members who suffer with allergies and asthma, students will not be allowed to have flowers or balloons in the classroom. Students, staff members and parents are asked to be sensitive to the comfort of others when applying products with scents.

Birthday Celebrations: In the interest of reducing distractions during the academic day, birthday celebrations need to happen outside of the school day. This includes sending flowers, balloons etc. Flowers and balloons will not be delivered to classrooms. Because of allergies and the growing number of student families who cannot afford treats, we are discouraging students from bringing treats for their birthday. Due to lack of space, students are not allowed to bring overnight things to school.

Cancellation or Early Dismissal: Cancellation of school takes place only during extraordinary circumstances such as bad weather, health risk, or power failures. The District has an automated calling system that will send a message to all homes with phone numbers listed in the student management system (Skyward). All closures and alteration of the school day will also be broadcast on WCCO (830) and WJON (1240) radio or WCCO (4), KSTP (5) and KARE(11)television. Please have an emergency plan in place and have updated emergency numbers reported to each building office. Alternative arrangements need to be made prior to an emergency. Do not call the schools in an emergency as this clogs phone lines and slows evacuation procedures. If necessary, the school will call you at the numbers on your emergency card.

Chaperones: Parents who volunteer to chaperone for their child's fieldtrip expected to help supervise the students on the bus and at the event.

- 1.) Keep students in your group together and accounted for
- 2.) Have students in your group sit in front of you on the bus.
- 3.) Hold students accountable for their behaviors
- 4.) Report students who refuse to follow directions to the teacher as soon as is practical.
- 5.) On the bus, students are to stay seated and talk quietly.
- 6.) At the venue students are to walk, stay with their group, and listen to speakers quietly and respectfully.

Communication: In an effort to keep parents as informed as possible a quarterly Newsletter is inserted in the *Citizen* newspaper quarterly. If for some reason your family has not received the quarterly newsletter a copy can be picked up at any of the School District's offices. All teachers and administrators have e-mail and voicemail. Many staff members also have web sites. In addition, periodic newsletters or announcements of special events are sent home with students, When parents have questions concerning their child's progress, curriculum, homework or discipline issues, they are encouraged to call or contact the classroom teacher via e-mail. Phone calls will not be put through to the classroom during the academic day. Parents can leave a voice mail message that the teacher will respond to as soon as possible. If the problem cannot be resolved or the teacher has been unable to return your call or e-mail, please call the Principal at 763-261-4504. If your child reports bullying or other types of harassment to you, please call or come in to talk to the Principal or teacher about the incident as soon as you become aware of the incident. We investigate and deal with all cases of bullying in accordance with our discipline policy.

Community Education: All activities at the Intermediate School outside of the regular school day are scheduled through Community Education (763-261-4506). All programs scheduled by the Community Education Director and the necessary information for the various activities are made available in the monthly newsletters, District Website or published in the local newspaper. Parents

are responsible for their child's transportation home following any after school Community Education activities.

Crisis Plan: Becker Intermediate has a Crisis Plan in place to deal with the unexpected. Students and staff participate in periodic drills throughout the school year so that we are prepared in case of an emergency. If parents are in the building during a drill, please follow the directives of a staff member.

Data Privacy: According to Federal Data Privacy law, most information collected by a school falls under the umbrella of data that is protected. Data privacy laws protect information concerning discipline issues, as well as consequences resulting from a behavioral incident. Any parent who has questions concerning data privacy is encouraged to contact the building principal. Staff members are trained to never release information about students to anyone except custodial parents.

Student Dress and Appearance (Policy 504): It is the intent of Becker Schools to enhance the education of students by establishing expectations of dress and grooming that are related to educational goals and community standards.

1. Tennis shoes are required for physical education classes each day.
2. Students will need to have warm clothing at school and available. All students will have an outdoor recess for about 20 minutes daily. (exceptions : extremely cold or rainy days., illness or injury)
3. All outerwear (jackets, hats, mittens, snow boots) are to be placed in the student's locker during school hours. Hats and scarves or bandanas are not to be worn in school except on special occasions.
4. Clothing needs to cover the midriff and cleavage. No under garments are to be showing.
5. Cologne, perfume and deodorants with a powerful odor should not be used in school.

The following clothing is not permissible:

1. Clothing bearing a message that is lewd, vulgar, or obscene will not be allowed.
2. Apparel promoting products or activities that are illegal for use by minors will not be allowed.
3. Objectionable emblems, badges, symbols, signs, words, objects or pictures on clothing or jewelry communicating a message that is racist, sexist, or otherwise derogatory to a protected minority group, evidences gang membership or affiliation, or approves, advances, or provokes any form of religious, racial, or sexual harassment and/or violence against other individuals as defined in Becker School District Policy 413 will not be allowed. This includes representations of confederate flags, swastikas, KKK signs and similar symbols, and applies to school property or school sponsored events on or off of school property including the parking lot and school buses.
4. Any clothing which a faculty member finds to be offensive or which interferes with the learning environment will be reported to the office. The

student may be asked to change the clothing, call a parent for other clothing, or be sent home to change.

Electronic Devices: Cell phones, iPods and other electronics may be used during the school day with staff permission. All such devices should be in the student's locker during the school day.

Emergency information: Emergency information is updated and collected each fall. That information needs to be on file at the school office with accurate and updated phone numbers. Family plans in case of an emergency need to be outlined and presented in the fall at the Intermediate Office.

Field trips: Students at Becker Intermediate School will have the opportunity to participate in several field trips during the school year. These field trips are selected to enrich the curriculum being presented. There is a cost involved with these trips. If parents are having difficulty with the costs they can call the classroom teacher or the Principal as we have limited scholarship funds available. Parents who have other objections to a field trip and choose to have their child not participate need to contact the teacher. Students who do not participate in a field trip activity are expected to attend school that day or be counted as unexcused absent. Alternative activities will be planned for your child.

Food Service:

Hot Lunches:

Each child will be assigned a number that will charge the cost of lunch against that child's account. Families with more than one child in the Becker School District will have a family account that can be accessed by each child's number. This system will also be used for families that qualify for reduced or free lunch. Families can send one check to be deposited in the family's account. Families always need to keep a positive balance in their account.

Children are not allowed to charge.

To help families keep track of their balance, telephone calls will be sent out one time per week when the account is at a positive \$15.00. The intent of these calls is to help parents know of their balance and when money should be added to the account in order to maintain a positive balance. When sending money to school for your family's lunch account, place the check in a sealed envelope with the student's name (along with all other children using this account) and the teacher's name (use only the teacher's name who will be collecting the money) on the outside of the envelope. This same procedure is used for students eligible for free or reduced lunch.

Milk for students with Cold Lunches:

Students can charge the cost of lunch milk (~~\$.40~~) against their family lunch account.

~~2018-2019~~ 2019-2020 Lunch Prices:

Elementary students	\$2.55 including milk
Student Breakfast	\$1.60 including milk
Adults/teachers/staff	\$3.45 including milk

Milk for cold lunches \$~~.40~~/ half pint

Foods: Power/energy drinks are discouraged in school. Students are discouraged from having gum or candy in school. If a teacher allows gum or candy as a special treat it needs to be eaten or disposed of in the classroom.

Homework: Homework at the Intermediate level involves completing work not completed in class, or extending classroom learning. There are several projects at the fourth and fifth grades that will involve work at home i.e. science fair/inventor’s fair projects, Wax Museum preparation. Students are expected to be prepared for school each day by having the materials they need and having homework completed. In an effort to help students develop independent responsibility and organizational skills, some classrooms will have assignment notebooks. Many teachers have websites for parents and students to access assignment information. Guidelines for class assignments will be posted in each classroom. Students who have persistent problems with work completion either homework or in-class work will be provided extra support during free-play or after school. If parents have questions or concerns about homework or work completion they are encouraged to call the classroom teacher.

Internet Use: Students are expected to follow the District policy and classroom guidelines concern acceptable use. If a student unintentionally wanders into an unacceptable site they are to alert the teacher immediately. The Intermediate School staff has the capability to monitor student use of the computers without notifying the students. The computers are the property of the Becker School District and no student or staff should presume that they have privacy.

(A complete copy of this and all District policies can be accessed on the District Website; www.becker.k12.mn.us)

Lockers: The school provides lockers for all students. Some students may need to share a locker with one other student. All lockers are assigned by the classroom teacher. Students are expected to keep the locker assigned to them clean. Students are expected to respect the property of others and stay out of lockers assigned to others. The lockers remain the property of the Becker School District and therefore can and will be searched routinely. Only locks provided by the school may be used on lockers; all others will be cut off the locker. Any locks ruined in the process of removal are the responsibility of the student. (A complete copy of this and all District policies can be accessed on the District Website; www.becker.k12.mn.us)

Lost & Found: Each year students lose or misplace items of clothing as well as other things. Parents are encouraged to somehow label clothing and other belongings for easier identification. If your child is missing article(s) of clothing, the Lost and Found located in the lobby should be checked first. Valuable items, expensive gifts, money or electronic toys or gadgets should not be brought to school. Lost items are not the responsibility of the Becker Schools or Becker Intermediate School.

Lost or Stolen Property: The school is not responsible for lost or stolen items. Students are discouraged from bringing anything to school except their books and study materials. Attempts will be made to locate lost items, however there is not time or personnel to conduct or complete a thorough search or investigation.

Mandatory Reporters: All school staff are mandatory reporters. This means that all school staff are obligated by Minnesota law to report any incidents of suspected child abuse or neglect. Once a report is made to law enforcement or child protective services, the issue is out of the control of the school officials.

Permission Slips: Students are required to have a slip signed by parent(s) or guardian(s) and returned to school before participation on any field trip outside of the District boundaries.

Pets: Pets are not allowed in the building. If parents make prior arrangements with the classroom teacher, pets may be brought to a designated spot outside of the building where the class can view the animal. Please remember that all pet visits must have prior approval of the classroom teacher with specific times and dates set. Please try to set a time that does not coincide with dismissal. No pets are allowed on any school bus. Pets must be brought and returned home by the parent(s). This procedure is in response to the many children and staff members with asthma and allergies. Thank you for your cooperation.

Pledge of Allegiance: The entire Becker Intermediate School body recites the Pledge of Allegiance weekly. Any student who wishes to abstain from reciting the Pledge is free to do so but must communicate their objection to their teacher. They are expected to stand quietly and respectfully during the Pledge.

Scented products: Many students and staff members have allergy and asthma issues, therefore please refrain from the use of strong smelling products. We ask that visitors to the school be aware and considerate with their use of scented products.

Snack Break: Teachers typically schedule a working snack break for students sometime during the school day. Students are allowed to have a food snack. Snacks should be nutritional in nature, i.e. fruit or vegetables, crackers etc. High sugar treats are discouraged.

Telephone Use: Students are allowed to use the office or classroom phones in cases of emergencies only. Making after school social plans is not considered an emergency. Students are not to use these phones during the school day without teacher permission.

Toys: Students are not to bring toys of any type (Pokeman Cards, sports cards, Game Boys, other electronic equipment etc.) to school. The only exceptions to this rule are special activity days, show &

tell or long bus rides. Any articles brought to school are the responsibility of the student. Students are not allowed to bring laser pens or spray bottles or spray containers to school. Any of these articles or others deemed a nuisance found in school will be confiscated.

Visitors: Students may not bring other children as visitors to school. Parents are welcome and encouraged to visit. For the safety of all the students, the Intermediate School building will be locked from 8:20 a.m. to 2:30 p.m. During the school day, when the buildings are locked, visitors are asked to press the call button near the main entrance. The school secretary will welcome you: ask your name, and the purpose of your visit. Visitors who are granted access to the building must report to the office, check in, and return the visitor's badge upon leaving the building. Signs will be posted at each building entrance explaining the protocol for visitors as described above. Parents visiting the classroom as an observer are asked to be as quiet and non disruptive as possible. Visits are not an appropriate time to meet with the teacher or schedule a conference/meeting. Parents who choose to eat lunch with their child(ren) are asked to check in at the office and get a visitor badge. Please limit your visit to the lunchtime and not the free-play time. Free-play is for student socialization. Also parents on the playground are a distraction for the supervisors and can create a security issue. Should a parent visitor see or experience a behavioral issue, they are asked to report it to the supervisor of that area. Parents are not to discipline or reprimand any student(s).

Volunteers: Becker Intermediate Elementary encourages and welcomes all volunteers to our school. Whether a parent, guardian, grandparent or community person your time spent at Becker Intermediate Elementary, as a volunteer, is an important contribution to a child's education. Information will be sent home at the start of the school year outlining volunteer needs. If you are interested in volunteering contact your child's teacher or the Intermediate Elementary Office to arrange times and activities. Because volunteers are not required to have background checks completed, all volunteers will be allowed to work with students only in supervised settings. All persons volunteering are expected to report to the Intermediate Office to sign-in and get a volunteer badge to wear while in the building.

Walker Procedures: For safety reasons, all walkers must cross only at corners or marked crosswalks. Always look both ways and follow these expectations:

- 1.) Use sidewalks, whenever possible, on the way to and from school.
- 2.) Cross streets ONLY at marked crossings or at street corners.
- 3.) Safety Patrol students will assist crossing at Hancock Street and the Rye Street corner as well as the corner of Hancock & Third Streets.
- 4.) Walkers should arrive no earlier than 7:45 a.m.
- 5.) NO STUDENTS ARE EVER TO WALK TO THE MIDDLE OR HIGH SCHOOL BUILDINGS or to the COMMUNITY CENTER in the afternoon as buses are provided. The parking lot area is too dangerous for elementary students to be walking in that area.

Health Information:

Illness during the school day: If a child becomes ill during the school day, the parents will be contacted at home or at work to inform them of the illness and arrange for them to take their child home. All calls concerning illness will originate from the health office. If the parents cannot be reached, contact will be made with the person designated by the parent on the emergency card. Typical reasons children are sent home include: fever of 100 degrees or more, vomiting, diarrhea, red and runny eyes, rash, suspected ringworm, impetigo, chicken pox, or head lice.

(If you change your phone number at home or work or there is a change in your emergency contact person please notify the office as soon as possible. All information is confidential)

Medication Administration: Dispensing medication (including acetaminophen, ibuprofen and aspirin) is not the responsibility of the school. However, the Board recognizes that children may have chronic and/or acute health conditions that may require medication during school hours. If it is essential for a student to take medication during the school day, the following protocol will be followed: Administration of prescription medication by school personnel for a chronic health condition requires a written physician's authorization from a parent or legal guardian. In special situations, a verbal order from a physician is acceptable and is to be followed with a written physician's authorization. Students may possess and use asthma medications as defined by the guidelines stated in Minnesota Sessions Laws 2001, Chapter 84 - Section 1. Minnesota Statutes 2000, Section 121A.22, Subdivision 2. This Act is effective August 1, 2001. Administration of over-the-counter medication (including acetaminophen, ibuprofen and aspirin) requires written authorization from a parent or legal guardian. In special situations, a verbal request from a parent/guardian will be acceptable and is to be followed with a written authorization.

Student's medication must be in its original container. The pharmacy or physician must appropriately label prescription medication.

An adult must bring student's medication to the office.

Student's medication will be administered according to written directions on the label.

In most cases medication to be administered three times a day need not be administered during school hours. It is most effective if administered every eight (8) hours.

Homeopathic, herbal or home preparations will not be administered.

See appendix for Authorization for Administration of Prescription Medications Form/Parental Request form

Health Insurance: Health insurance information will be sent to the home each fall. Parents have the responsible to decide whether or not to purchase insurance.

Accidents: If an accident occurs, parents will be notified, if possible, concerning the particulars of the accident, degree of injury and any necessary follow up needed at home. All accidents will be triaged by the

health office staff. Serious injuries will be stabilized at school and referred to the nearest or most appropriate hospital. Parents will be contacted as soon as possible.

State Mandated Immunizations: State immunization requirements change from time to time. Immunization that are considered in compliance may change if the law changes. The health office will notify you if your child's compliance changes.

Screenings: Fifth grade students are typically checked for scoliosis. All grades are screened for vision. Fourth grade students are screened for hearing.

Head lice: Head lice are common among smaller children. Because head lice are easily spread the district has a strict protocol for dealing with the issue of head lice. Students who display symptoms will be checked in the health office. If live lice are discovered the child will be removed from the classroom and the parents will be called. The parents will be responsible for picking up their child and following a procedure for getting rid of the lice. Children must be accompanied to school the following day by a parent to be rechecked by health office personnel. Students with live lice will be rechecked periodically.

Chronic Health Issues: It is imperative that parents notify the nurse of any chronic health issues, (diseases, medications, allergies)

Flu Issues: Parents are urged to report to the school nurse if their child experiences any of the following symptoms:

- Fever (100 F or greater)
- Sore throat
- Cough
- Nasal Congestion
- Runny nose

If your child has these symptoms keep him/her at home, call the school nurse and have the child examined by a doctor. Stress the importance of washing hands and cover the mouth when coughing, and not sharing food or drink.

SAFETY

Safety is an important goal at Becker Intermediate Elementary. To help us provide your child/children with a safe environment, please read and follow the procedures outlined below.

Visiting the School: All persons who come into the building are required to stop at the office, sign-in, and get a visitor badge. Teachers have been directed to never dismiss a student from their classroom. All students must be checked out at the office. If you wish to pick your child up at the end of the school day, please wait in the lobby next to the office. Many parents come to school to have lunch with their child/children Please check in at the office and get a visitor badge. Parents are not allowed on the playground during the noon free-play time for several reasons. Noon free-play is the only unstructured opportunity for students to socialize with peers. It is difficult for the playground supervisors to screen for unauthorized persons on the playground. Your cooperation is appreciated!

Emergency Cards: Parents/guardians need to fill out an emergency card with up-to-date information. This card is used in case it is necessary to contact parents because of an accident, an early dismissal or other reasons. Parents/guardians are asked to keep the Intermediate Elementary Office (763-261-4504) informed if there are changes in address, home or work phone numbers during the school year.

Emergency Drills: Becker Intermediate Elementary School will have periodic fire and tornado drills with students. Staff members and students will also have intruder drills throughout the school year. All drills are done in an effort to be prepared in case of an emergency. If you are in the building during an emergency drill, please evacuate the building or move to the designated area.

Emergency Plan: The Becker School District has an emergency response and evacuation plan in the event of a nuclear accident or terrorist event. Parents are urged to get information from the radio or TV. DO NOT CALL OR COME TO THE SCHOOL AS THESE ACTIONS WILL PUT CHILDREN AT RISK BY CLOGGING COMMUNICATION LINES AS WELL AS BLOCKING ESCAPE ROUTES.

Student Drop-off and Pickup: All students should be dropped-off and pickup on the school side of Third Street. The Visitor's circular drive is closed to traffic during bus loading and unloading. Cars parked in the circular drive will be blocked in until the buses leave the drop-off area. If you pick up your child/children, please walk them through the parked buses at the designated walkways only.

Crossing Guards/Safety Patrol: Minnesota State Highway Patrol trained student crossing guards are present on Hancock Street at the intersection of Rye Street as well as the corner of Hancock Street and Third Street. Please be advised that when these students are present and have the orange safety flag extended all vehicular traffic must STOP. Any vehicle running an extended flag will have their license number reported to the Becker Police Department. Also please do not cut the corner of Hancock to Third Street short as this could result in an injury to students. Your cooperation is appreciated.

RELEASE OF STUDENT DIRECTORY INFORMATION

In accordance with the Minnesota Data Practices Act, Becker Public Schools may release the following information without permission unless the district has been notified that it should not be released.

Under the federal law, directory information includes the following information relating to a student:

1. Students name, address and telephone number
2. Student's gender and date and place of birth
3. Major field of study
4. Participation in officially recognized activities and sports
5. Weight and height of members of athletic teams
6. Date of attendance and grade levels completed
7. Degrees and awards received
8. The most recent previous educational agency or institution attended
9. Photographs for school district publications and local newspaper

The Becker School District considers all of the above to be "Directory Information" as well as the publication of the quarterly "honor roll". Federal rules define directory information

to mean, "Information contained in the education records of a student which would not generally be considered harmful or an invasion of privacy if disclosed." 34 C.F.R., Sec. 99.3.

A parent or adult student has the right to refuse to permit the designation of some or all of the categories as directory information with respect to that particular student. If, as parents, or adult student, you wish not to have any or all of the above information to be considered "Directory Information," you should contact the Intermediate School Office in writing by September 30.

Use of Mobile Devices in School

In keeping with the district's technology goals, the district recognizes the value of mobile devices such as cell phones, mp3 players, and other mobile devices as learning tools. Student use of these devices will be governed by the following procedures:

- Students may carry mobile devices on their persons, and their use is allowed before and after school and during other designated non-instructional times.
- The use of mobile devices during instructional times is at the discretion of the classroom teachers and building administrators
- Unless expressly allowed by the classroom teacher for a specific learning tool, the mobile devices are to be stored out of sight during instruction time, and their presences may not cause a distraction in the classroom. This applies to all instructional areas of the school including all classrooms, media center, and study areas.
- Students shall not use any electronic device that in any way disrupts or detracts from the educational environment.
- Student may not use mobile devices in any manner that violates any district or school policies, included policies and guidelines governing copyright, harassment, Internet Acceptable Use, and academic integrity.
- Camera phones, cameras, or any devices with recording capability are not permitted to be in use in locker rooms, restrooms, or school buses at any time.
- Students are not allowed to photograph or videotape students or staff at school without their consent with the exception of public events such as concerts or athletic contests. Images, sound or video cannot be posted to the Internet or distributed electronically without the permission of all individuals in the files.
- Students' use of mobile devices while in the school building must comply with the district's Acceptable Use Policy regardless of whether they are connecting through the school's network or through a cell carrier.
- The district retains the right at any time to investigate or review the contents of students' mobile devices.

Violations of these guidelines will be handled on an individual basis and may include confiscation of the device, conference with parents, termination of the right to carry a phone, or further consequences.
