

1/4/2022

Dear Laurie A. Bitter Indus k-12 principal

I would like to inform you that my last day of employment as a Paraprofessionals for Indus ISD #363 South Koochiching-Rainy River School Dist effective Friday February 11,2022.

For those that are not aware Feb 27, 2022 is our due date for our child. The pregnancy has been going well.

I want to thank everyone for welcoming me in and taking the time to train me on the job during the time I have been here. My experience working with all of you at Indus has been positive and a blessing. I can not thank you enough.

In the future I don't foresee any plans to return to work until a few years later. My plans are to be a stay at home mom and raise our newborn and enroll into preschool when the time comes.

Thank you again for the opportunity to work with you all at Indus. I wish you all the best. Have a great rest of the school year and God Bless.

Sincerely, Angelica Boyer
