Beeville I.S.D.
201 North St. Mary's
Beeville, Texas 78102

ATTN: Dr. Puig

As of our last progress report, we have completed several renovations at Moreno Jr. High School. We have installed a New Glass Panel Door section, repainted the 100 & 300 Wing, reconfigured and renovated the Counselor's Office including new carpet and some office furniture.

A.C. Jones High School - We have completed the painting of the Glazed Block Corridor Walls including the Mens & Womens Restrooms, painted the Health Science Wing including the Cosmotology Area.

Hampton-Moreno-Dugat – We have completed the interior entry painting and installed new slider glass window; poured concrete for new curved ADA walkway with bollards. Currently, we have poured concrete and we are fabricating Canopies for the Parent Drive, Staff Parking and Bus Areas.

Future work is scheduled to complete the canopy fabrication with color R-Panels and Painting of finished canopies. Once completed the Moreno Jr. High School Canopy fabrication will commence. We look forward to the future success of these project.

Thank you for your continued support.
