

Board Talking Points

June 2025

As we wind down the 2024-2025 school year, I hope you reflect on your district's multiple accomplishments. You have much to be proud! Our regional districts consistently shined in the following areas:

- Strong graduation rates and 9th grade On-Track performance
- Outstanding CTE programs tailored to community needs
- Upgraded facilities
- Consistent staff retention and community support

It is a privilege serving our 14,000 students in 17 component districts. I admire the uniqueness of each of our schools, as well as the steadfast pride and commitment displayed by local boards. Despite the uncertainty of federal and state changes in public education, our future is bright due to the leadership provided by our boards and staff.

As a reminder, IMESD does not submit a July Board Talking Points. We will be back in August. Have a wonderful summer!
