Dear Melissa Doucet:

Thank you for all you do to inspire "aha" moments—moments of discovery, accomplishment, pride, surprise, and delight—in your classrooms and for considering Zaner-Bloser as your partner in helping students build foundational skills.

The Superkids Reading Program ©2026 is a comprehensive English language arts curriculum designed specifically for K–2 students and how they learn to read. Using evidence-based literacy practices, the systematic, explicit instruction solidifies foundational skills and builds knowledge to grow students' confidence as readers. The program works by focusing on student motivation, educator support, and an effective instructional path.

The enclosed quote includes an Order Information page, which should be filled out completely and returned with your order. **If information is missing on this page, processing your order may be delayed.** Please complete the following:

- School Information
- Digital Product Information
- Shipping and Delivery Instructions.

Orders with Professional Development will be invoiced separately from your materials. We look forward to providing you with the best research- and evidence-based resources, meaningful professional development opportunities, and top-notch customer service possible.

Thank you,

Courtney Ross
Account Manager
