## BACKGROUND INFORMATION

Missed School Days Waiver, pursuant to TEC 25.081, allows the district or campus to request a waiver if instructional days are missed due to weather, health, safety, or other issues. Board approval is required before the waiver can be submitted.

A district may request this waiver for additional school days missed due to weather, safety, or health issues beyond the two days that must be made up with the district's two designated makeup days or with additional minutes built into the originally adopted calendar. Argyle ISD has two days of additional minutes built into the 2025 - 2026 calendar.
