

Purpose:

The Board of Directors is the educational policy making body for Parkrose School District. To effectively meet the District's challenges the School Board and Superintendent must function together as a leadership team. To ensure unity among team members, effective group agreements must be in place. The following are the group agreements for the Board and Superintendent.

The Board Job Description and Governmental Policy:

1. Members of the Board and the Superintendent shall work together as a team.
2. The Board and Superintendent will serve all students.
3. Focus on policy making, planning and evaluation, rather than day-to-day operations.
4. Make decisions as a whole Board only at properly called meetings. Board members recognize that individual members have no authority to take individual action in policy, district, and school administrative matters.
5. Support decisions of the majority after honoring the right of individual members to express opposing viewpoints and vote their convictions.
6. Recognize and respect the Superintendent's responsibility to manage the school district and to direct employees in district and school matters.
7. Give careful consideration to all issues brought to you by individuals and special interests. Actively solicit input and listen to all perspectives. The Board will operate as representatives and make decisions in the best interest of the whole district.
8. Value the role we play in the community. The Board represents the district, when possible, by attending school and community functions.
9. Advocate for public education in the district, region and state level by speaking up for, and on behalf of, public education whenever required.
10. The Board has shared responsibility for communication on behalf of Parkrose School District local, city, county, and state organizations.
11. A Board member will serve as Liaison to the Parkrose Educational Foundation.
12. The Board works in collaboration with Superintendent to set the vision for the district.

Meeting Operational Agreements:

1. Items may be placed on the agenda by majority vote of the relevant Committee.
2. Uphold the legal requirement for confidentiality on all matters arising from the Board meeting in executive session.
3. Start and end meetings on time. If more time is needed for Executive Session the Board should reconvene in Executive Session following the Public Meeting.
4. Attend regularly scheduled Board meetings and work sessions unless a situation occurs that makes attendance impossible.
5. Cooperate in scheduling special meetings and/or work sessions for planning and training purposes.
6. Cast a vote on all matters except when a conflict of interest arises. The law defines conflict of interest as a financial benefit or detriment to yourself or a relative/spouse. The Parkrose School

Board and Superintendent are committed to recusing themselves from voting anytime there may be a perceived personal benefit to themselves or a relative/spouse (example: voting on a facility request for a group you are a member of).

7. Cooperate with communication plans to contact Neighborhood associations when Board policy changes may have an effect on livability.

Communication Agreements:

1. Communicate directly with the Superintendent when a question arises, or a concern is voiced by a staff member, student, parent, or community member.

4. No individual Board member has the authority to speak for the Board unless authorized by the Board.
5. From time-to-time the Board may be required to make findings of fact that are appealable to another agency. In these situations, no Board member will have personal contact with parties who have a personal interest in the findings and in the Board's decision prior to the time the decision is made.
6. Board Member discussions must be transparent and in public except for those allowed by law during Executive Session.
7. Electronic communication may be forwarded by one Board member to one other Board member only. If that message is then forwarded to a third Board member that would be considered a serial meeting and violation of public meeting law.
8. Personal conversations/phone calls beyond one-on-one deliberating towards a decision affecting the School District is also considered a serial meeting.
9. Maintain an up-to-date biography and description of community activities for the district website.
10. Go directly to Board members who are Committee Liaisons with your comments or concerns before a Board meeting.
11. Whole Board agreement needed regarding distribution of individual Board member materials.

The purpose of this agreement is to help ensure that no Board member will receive any information regarding a pending matter that is not available to all Board members prior to the time the decision is made. Examples of such decisions include personnel matters, official land use decisions and charter school applications.
