RE: Purchases Equal to or Exceeding \$50,000

Board Policy CH (Local) states that any single, budgeted purchase of goods or services at a cost of \$50,000 or more shall require Board approval before a transaction may take place, unless the purchase falls into a categorical exemption or exception as reflected in the policy.

A categorical exemption shall be defined as:

- Expenditures for utilities including electricity, natural gas, telecommunications, water and wastewater;
- Expenditures for impact and permitting fees imposed by municipalities and county governments;
- Payments to the County Appraisal District.
- Expenditures for vehicle fuels procured through board-approved purchasing cooperatives;
- Expenditures for food service products procured through board-approved purchasing cooperatives.

#### An exception shall be defined as:

• Emergency expenditures in the event of catastrophe, emergency, or natural disaster affecting the District.

The expenditures indicated on the attached document are not covered under the categorical exceptions as contained in Board policy.

Once a recommendation to make the purchase was established, the prospective vendor was requested to complete a Texas Ethics Commission Form 1295. This requirement became effective on January 1, 2016 and is related to the passage of House Bill 1295 which is now incorporated into the Texas Government Code 2252.908. The form is attached and identifies all interested parties associated with the vendor as it relates to this procurement. Upon approval by the Board of Trustees and issuance of a district purchase order, the form will be posted on the Texas Ethics Commission's website as required by statute.

All board members, employees and agents involved in the planning, recommending, selecting or contracting of a vendor should be reminded of the conflict of interest reporting requirements as mandated in Chapter 176 of the Local Government Code. A copy of Form CIS has been included as an additional attachment. In the event that a conflict exists, the form should be completed and submitted to the Purchasing Department not later than the 7th day after the conflict is identified.

This request is for AP (Advanced Placement) testing fees for the 2024-2025 school year. These fees were initially estimated in August of 2024 to be no more than \$130,000. An exact figure was not possible at the time as ordering is finalized in March and the State Subsidy for Advanced Placement had not been determined. The State Subsidy was reduced from \$32 per exam for economically disadvantaged students to \$27 per exam, an increase of over \$6,500 in cost for the district. We have also had very strong test enrollment this year with 2426 exams anticipated. The original board approval was for \$130,000, but for the above mentioned reasons, we are now requesting a total of \$140,000 for Advanced Placement Testing.
