**Subject:** Review and discuss 2018-2019 Parent & Family Engagement Plan

**Presenter:** Sheila Bowman

**Rationale:** By TEA regulations, each school district is to develop a parent and family engagement plan. Much thought went into how we include parents, as well developing new ideas and activities to engage them and the community. The plan was presented, reviewed, and revised with DEIC on Monday, October 1<sup>st</sup> and then approved by the committee. This plan supports Goals 2 and 3 of our District Improvement Plan.
